Yearbook Staff

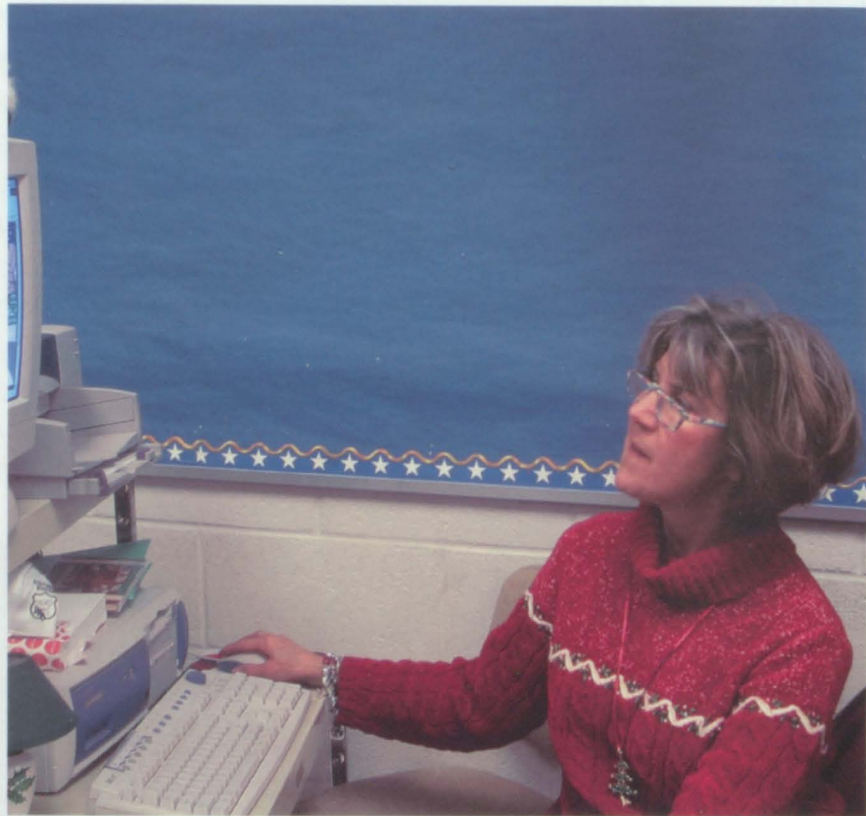

This year's Growl Staff has worked very hard to get this year's full color yearbook completed. This is the first time that Jones County High School has had the opportunity to have a yearbook that is completely in color. Our yearbook staff has worked diligently to meet our deadlines and produce the best yearbook Jones County has ever had. This year's staff consisted of 17 members, seniors Chelsey Asbell, Allie Chambers, Kurt Johnson, Amanda Lockaby, Lacie Sheppard, Jennifer Weidner, and Casey White, juniors Samantha Deese, Zach Norsworthy, Ashley Parham, Faren Smith and Heather Stevens, and sophomores Danni Cannon, Donald Jones, Kate Kester, Jennifer Peebles, Jonathan Skoczylas, and Matthew Vongsavanh.

Standing Out....

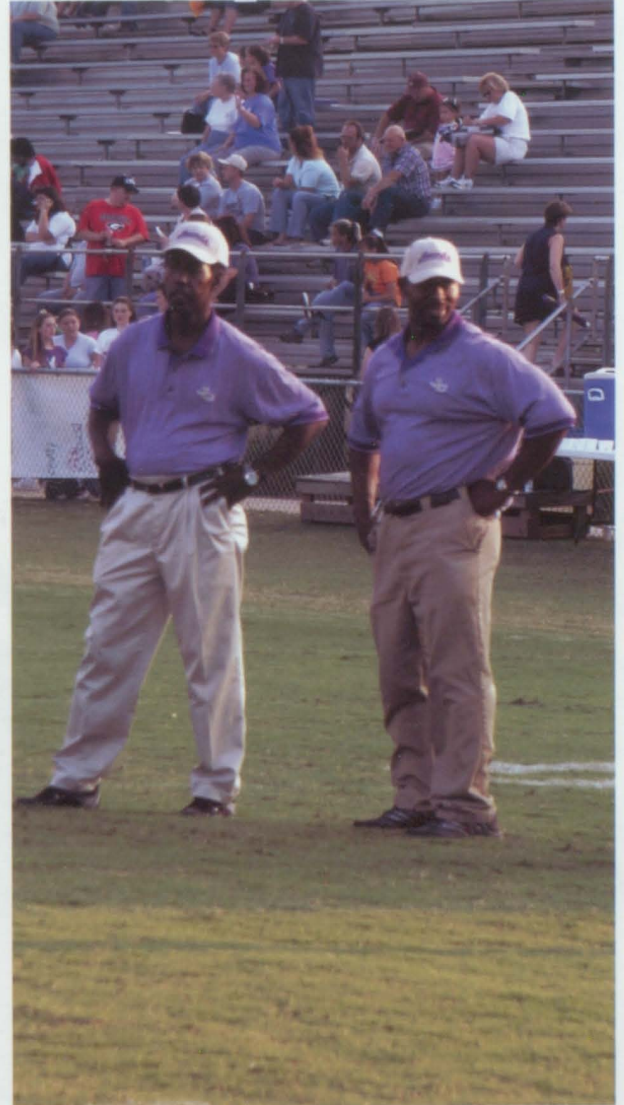

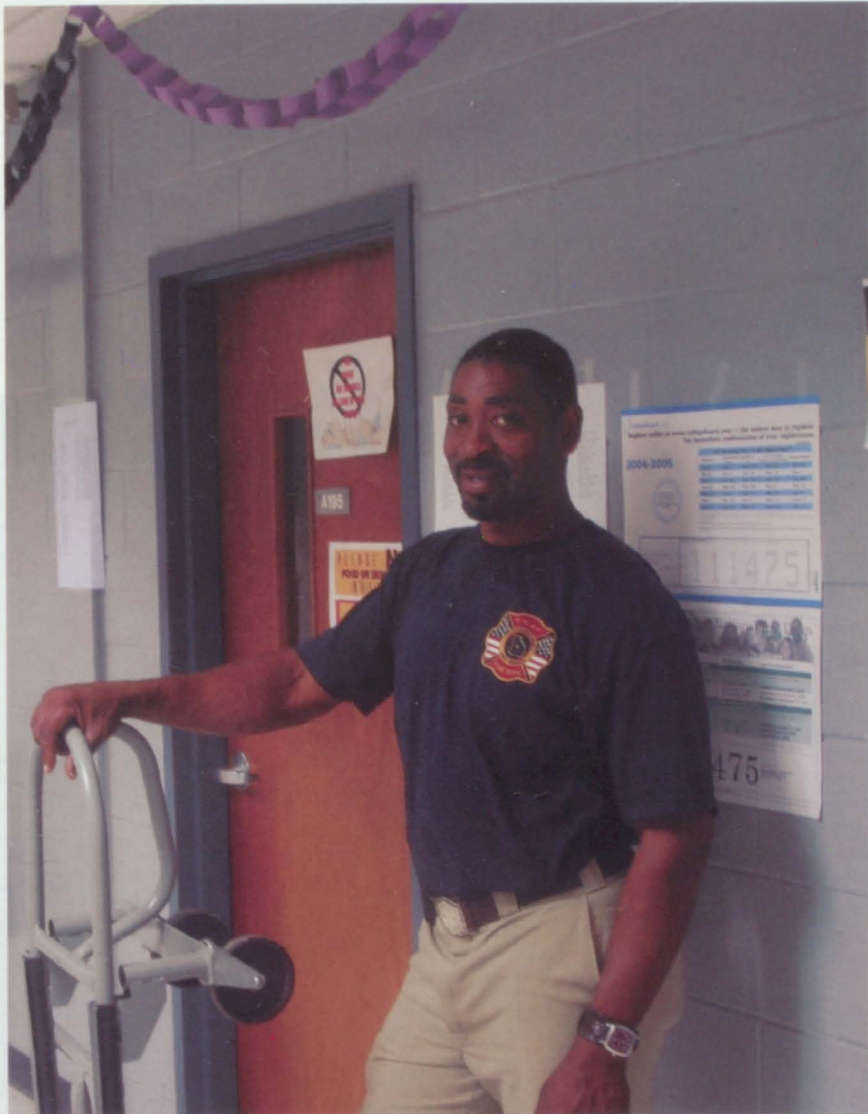

Each year, the Growl Staff has the privilege and honor of selecting deserving faculty and staff members to whom the yearbook is dedicated. Much thought and discussion went into deciding who would be chosen and we're proud to announce Mrs. Sherry Sanders and Mr. William Lattimore.

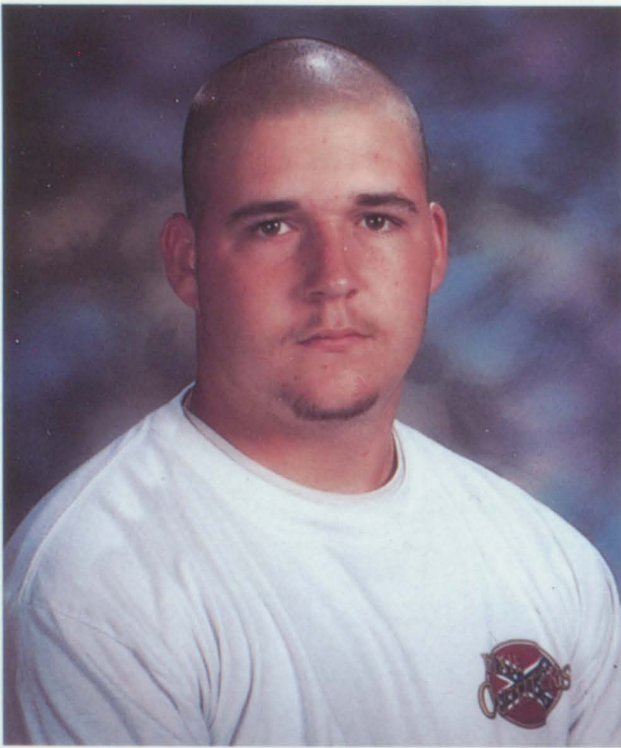

Mrs. Sherry Sanders has dedicated many years to teaching students the history of governmental processes and procedures of the United States of America with great enthusiasm. Mrs. Sanders started out teaching ninth grade but she soon realized eleventh and twelfth grade were more her style. She has her certification in teaching gifted classes. Mrs. Sanders is an extremely involved teacher sponsoring activities such as the prom, various trips for students, and not only being a teacher, but also serving as a mentor to new teachers at JCHS.

Mrs. Sanders has inspired her students to strive to do well both in and out of the classroom. Her many years of service are recognized and greatly appreciated.

Above The Rest

Mr. William Lattimore is not only a member of the custodial staff but also a friend to many around campus at JCHS. Many people do not know that Mr. Lattimore has had perfect attendance since he's been employed at JCHS. Mr. Lattimore willingly drives buses for the CNA classes, FBLA, Intro to Teaching, and Health Occupations. His various duties over the years have included helping out with the football and basketball teams. He also arrives at work extremely early and stays late to take care of his duties, one of which includes being the keeper of the Fine Arts Building. Stepping away from school for a moment, Mr. Lattimore is a volunteer fireman who helps out the community. Mr. Lattimore's hard work and dedication are greatly appreciated.

Prayer in Progress

See You At The Pole

In the wake of Hurricane Frances, which left us without power and forced school to close for two days, the anniversary of September 11th, and the close call with Hurricane Ivan on the 14th of September, Jones County High School held its first See You At the Pole of the 2004-2005 school year. See You At the Pole is a student led event which may include worship, song, Bible readings, prayer, and a message by a student leader. Jones County High School gathered at the flagpole for these activities on Wednesday the 15th of September at 7:15 am and 8:00 am.

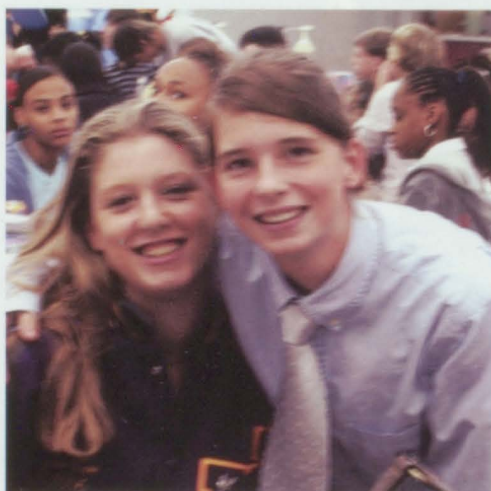

Greyhound Spirit

Who's got Spirit? The Greyhounds do! Students of JCHS have shown how much they love their hounds by dressing up and having a good time. Generally, JCHS celebrates Spirit Week the full five days of the school week but this year we only celebrated Spirit Week for three days.

During Homecoming week the Spirit days consisted of Occupation/ Twin Day on Wednesday, Hat Day, Class Music Day and Celebrity Day on Thursday. On Friday, to support our hounds we carried on the tradition of wearing Purple and Gold.

We've got spirit

On Wednesday, Occupation/Twin Day, we had doctors, firemen, construction workers and the works. On Hat Day, Class Music/Celebrity Day, some students supported their favorite ball team and while others dressed as their class hall theme or as a celebrity. Everyone from Reba McEntire to Usher back to Jessica Simpson and Birtney Spears were in attendance that day!! Our 9th grade theme was Country and Western, the 10th grade theme was Hip-Hop, 11th grader were Disco Kings and Queens, and our Seniors were Rockin' and Rollin'. The Parade whic was held Thursday was a success as usual. Hard work and dedication was put into the beautiful floats.

Finally Friday came - our day for school colors - PURPLE AND GOLD DAY!! Friday night at the football game, the Hounds showed Lakeside High School the true colors and spirit of Jones County High School with a victory.

Even though we only have one week called Spirit Week, JCHS shows spirit all year long. Thanks to all Faculty, Staff and Students for a great Spirit Week.

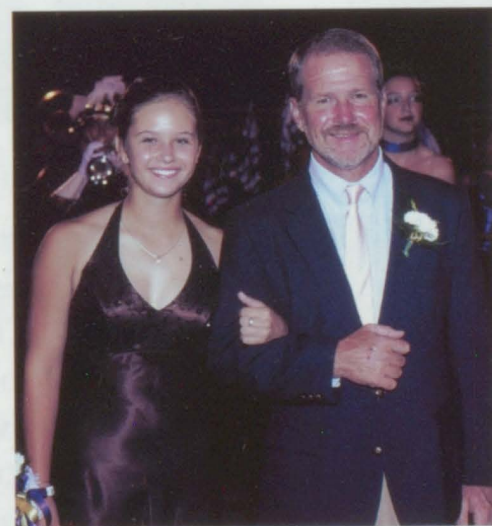

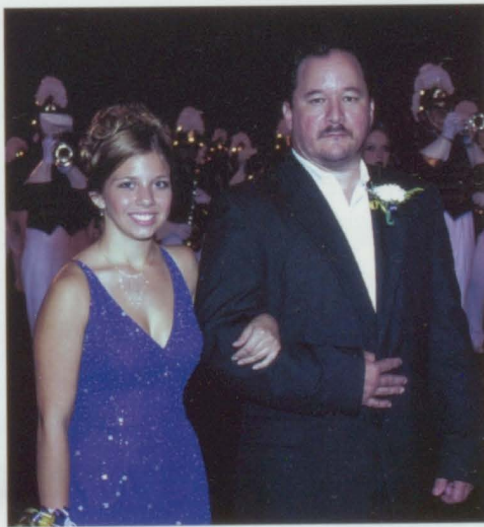

The 2004 Homecoming Queen is ...

2003 Homecoming Queen, Melissa Hill, crowns the 2004 Homecoming Queen, Jennifer Weidner

The 2004-2005 Homecoming Night was a blast. After a week of much anticipation and various school-spirited activities, JCHS students awaited the football game against Lakeside High School, at which their homecoming queen would be crowned. The first half of the football game came to a close and halftime had arrived!! The crowd applauded as the three class representatives for the Freshman, Sophomore and Junior classes were escorted onto the field, while the JCHS marching band serenaded them with soft music. The tension grew as the six Senior representatives were introduced. As these ladies took their places, the crowd became quiet and anxious. The announcer began revealing the results...The 2nd runner-up was Maya Bivins. 1st runner-up was Jamie Simpson, and finally, the 2004 JCHS Homecoming Queen was Jennifer Weidner!! The crowd went wild and the school graciously welcomed their new queen.

One Act Play

In this year's one act play, Mickey's Teeth -By Amlin Gray, a former Mouseketeer from the Mickey Mouse Club of the 50's, named Steve (played by James Newberry) is struggling with his identity. In a sparkling and fantastic cafe, he encounters an obsessive fan named Leah (played by Johnna Terrell). Leah reveals her life story to Steve, and her true feelings are explosive and surprising. At the end of this wonderful performance, Leah rips her shirt off, revealing a homemade bomb. With a magical swirl of her wand, the Blue Fairy (played by Caitlin Roberts) vanquishes Leah, Steve's bad dream.

The play won Best in Region. In addition, Johnna Terrell won Best Actress, because of her dramatic portrayal of Leah. Congratulations to the cast and crew for a great show.

The Blue Fairy grants Steve a wish.

White Christmas

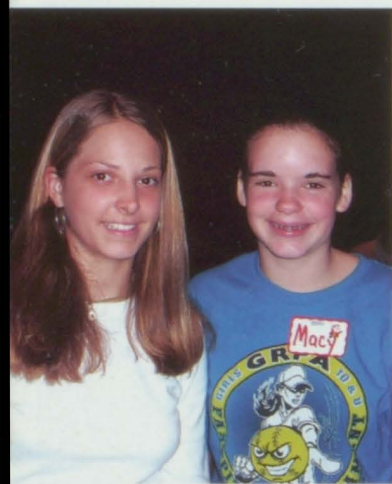

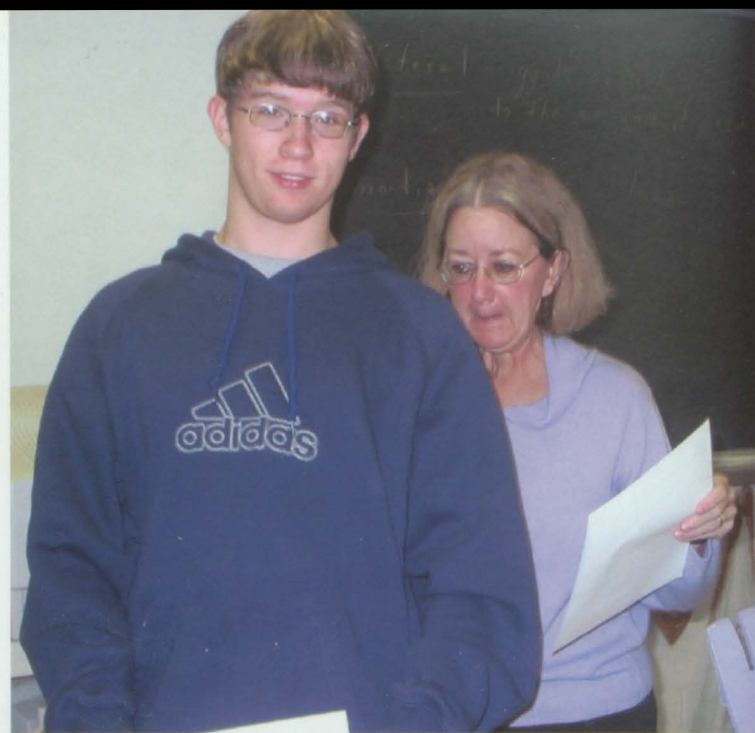

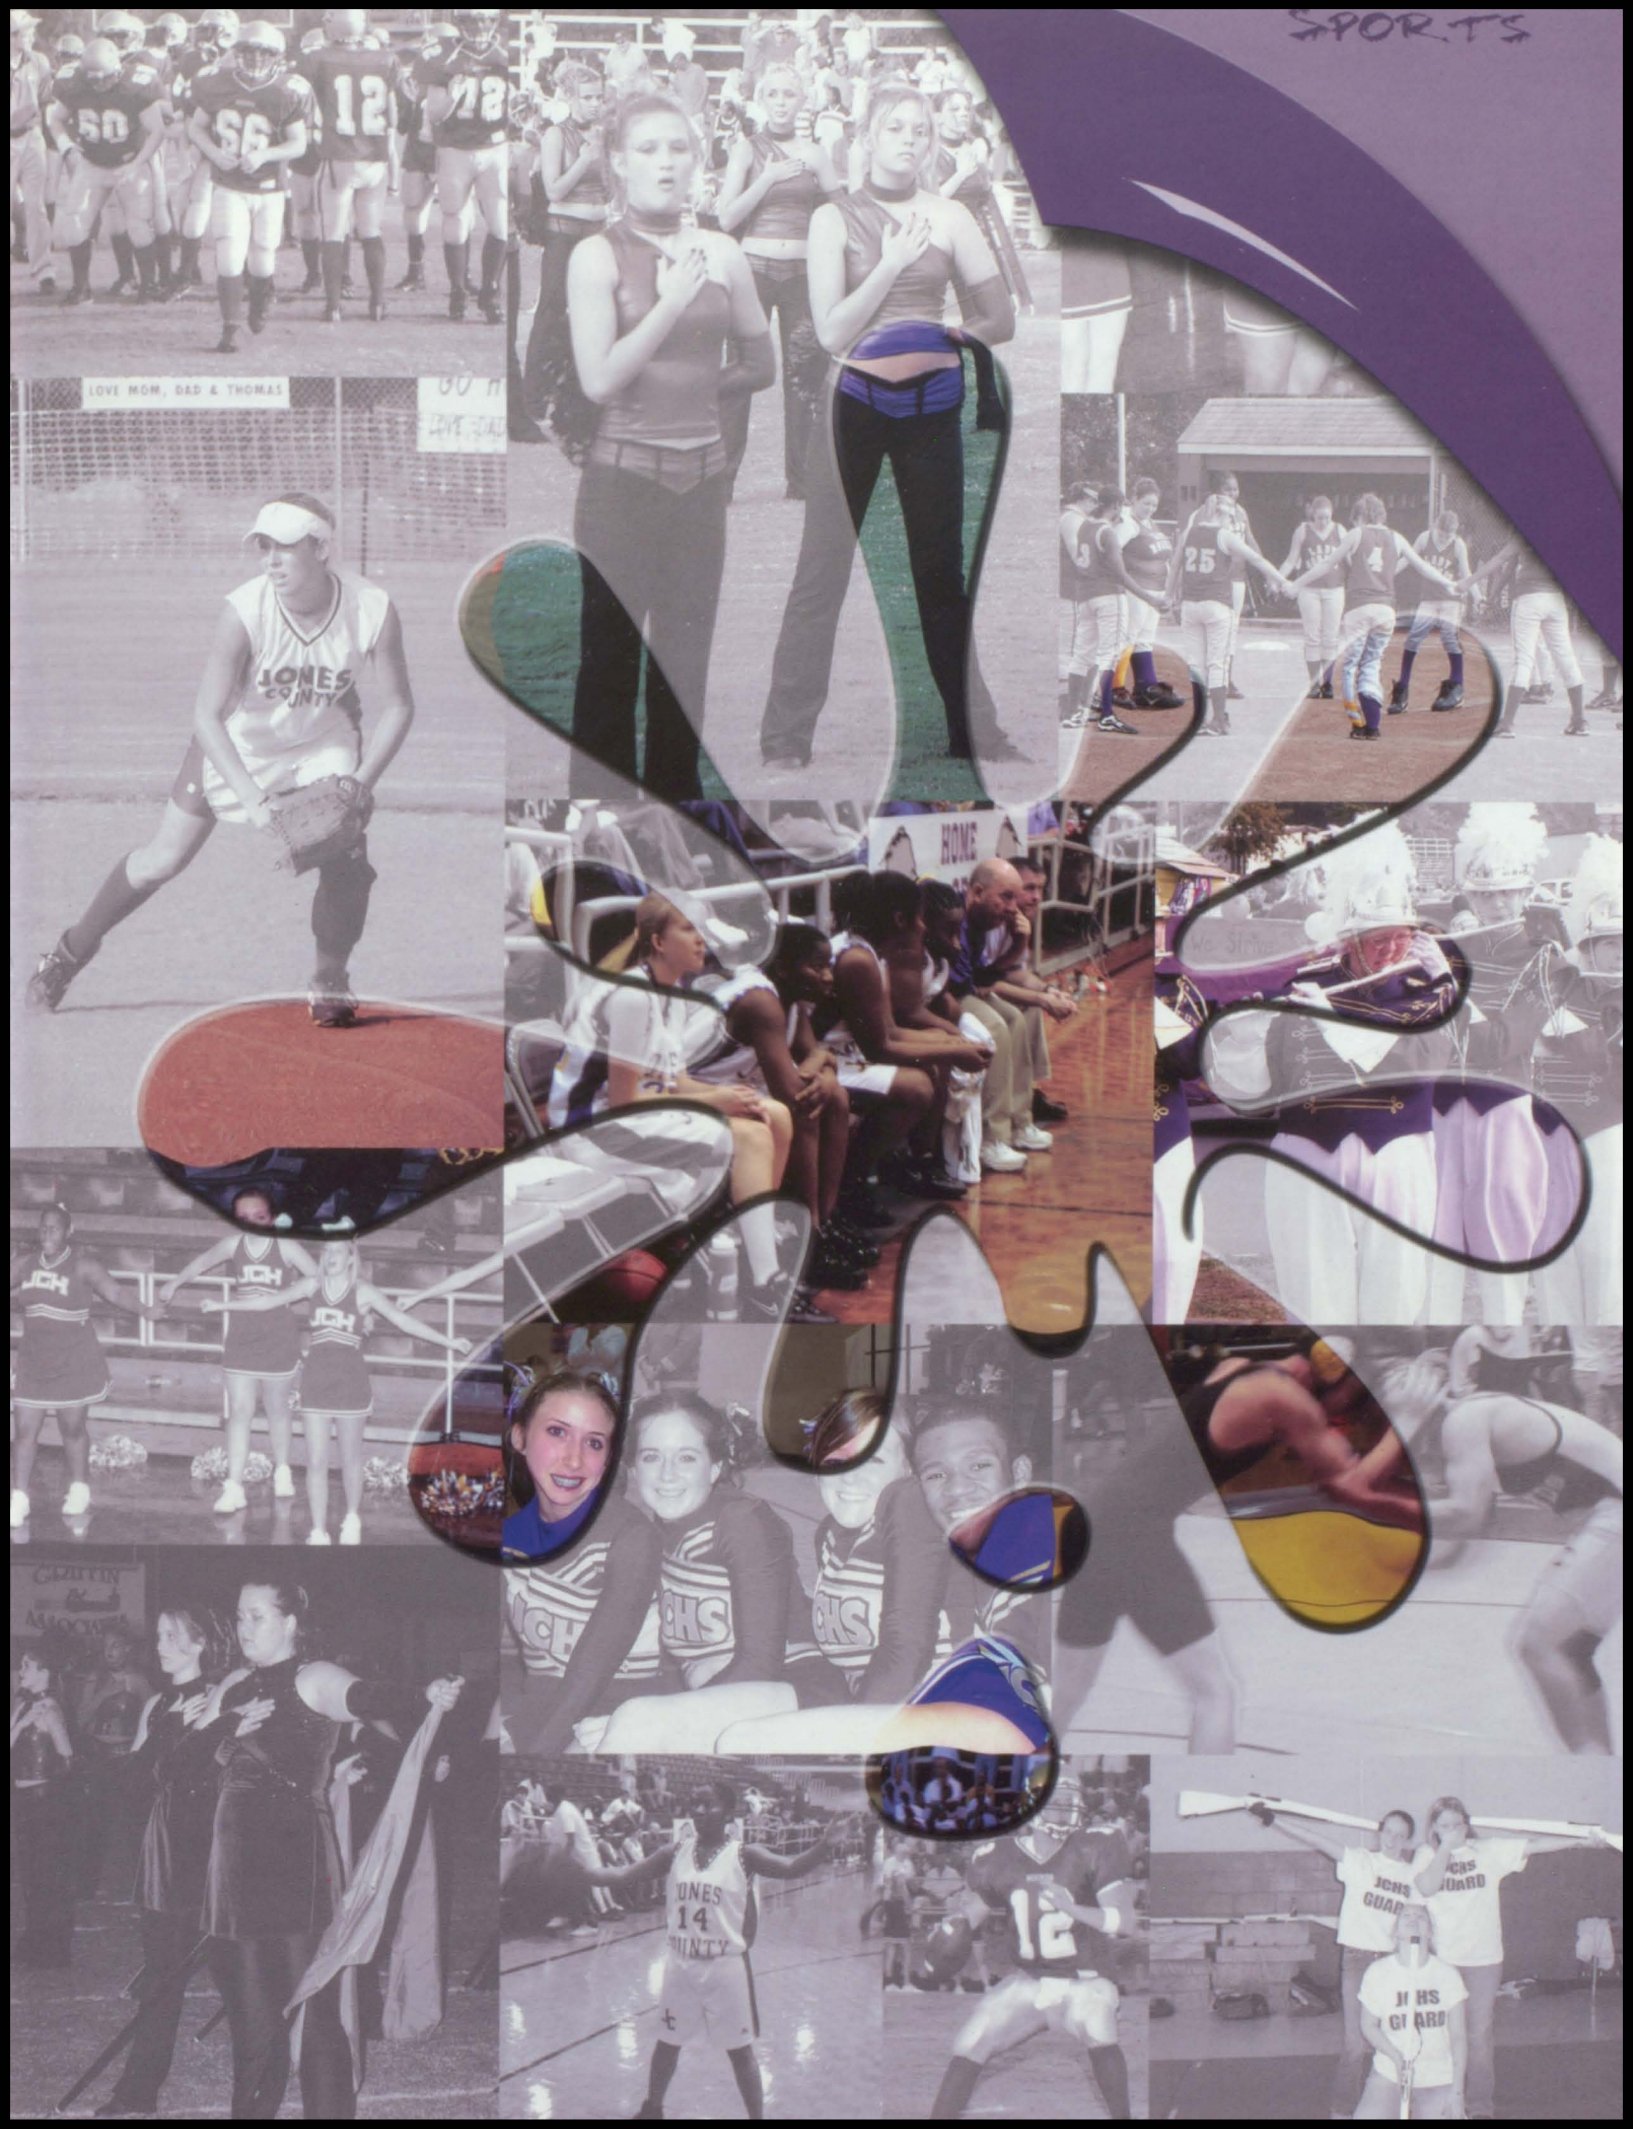

White Christmas is a senior tradition that began in 1969. The tradition began as a response to the need expressed by the Department of Family and Children's Services for Christmas gifts to help needy children. These gifts were wrapped in white paper, hence the name White Christmas. Now tickets are sold to raise money in order to buy gifts.

This program includes skits, carols, and performances. The night was full of fun and laughter. The students enjoyed making the audience laugh with witty dialogues and hilarious plays. This production is such an anticipated event that tickets were sold out in three days. White Christmas is a wonderful tradition that the seniors enjoy. This year's show was made extra special when Jamie Simpson, this year's Senior class secretary invited her dad, Jimmy Simpson to join her on stage at the end of the show. Mr. Simpson was president of the Senior class in 1969 when the program began.

Girls Cross Country

Pictured below is Kristen Clements striving to reach the finish line.

The 2004 girls cross country team was relatively small this year. Through hard work and determination, these girls proved to be very successful. The closeness of the girls allowed them to finish among the elite. They placed 4th at region and advanced to sectionals. They had quite an adventure on their way to sectionals. Mother nature was working against the team as a deer collided with the bus, trying to prevent them from reaching their destination. Nevertheless, they arrived at sectionals, which completed a great season, the team was led by the seniors; Christy Andrews, Kristen Clements, Sara Pope, and Jennifer Weidner. The underclassmen were Brittany Davis, Niki Hartley, Brittley Peacock, and Jessica Roberts. Good job girls!

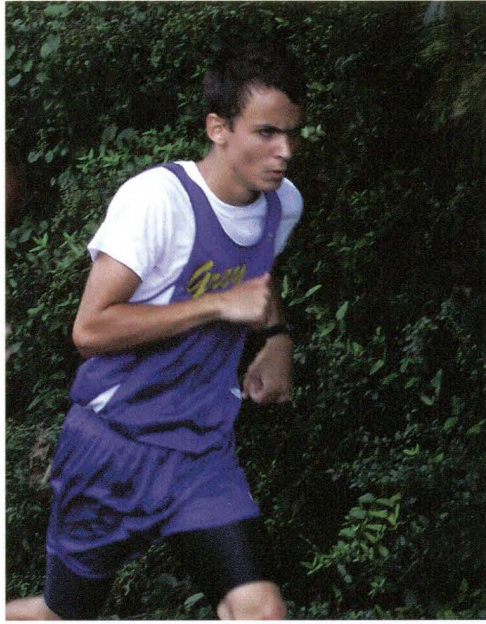

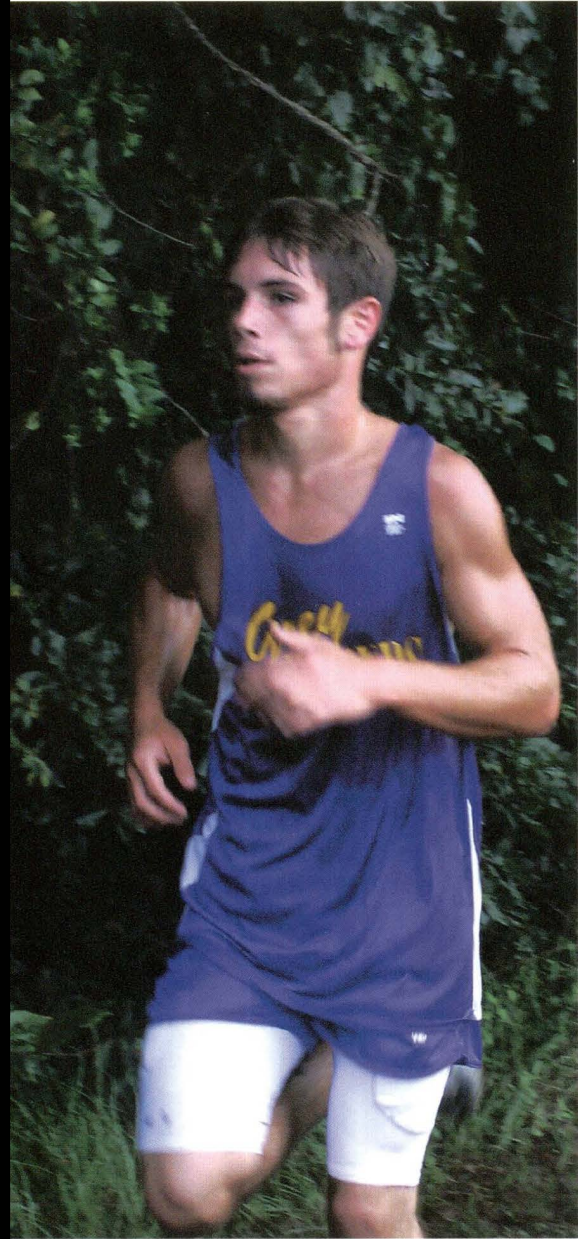

Pictured above - Senior Christy Andrews is pushing herself to the max while trying to get a lead on her component.

The fourth week of the season Jones Co. defeated Baldwin Co. in the first region game 16-14 with a last second 44 yard field goal. During the next four weeks the Greyhounds would play .500 football with a 2-2 record culminating with a heartbreaking 22-25 loss to the #1 team in the state, Statesboro High School. A win in the 10th game of the year against Effingham Co. would result in the Greyhounds gaining a state playoff berth. The 2004 Greyhounds will be graduating 15 seniors that learned to play the full 48 minutes. The future looks bright as the Greyhounds will return 26 lettermen and a strong 9th grade class.

Marching Greyhounds

The JCHS "Band of Gold" had a great year this year, having a total of 108 members in the Marching Band, including Color Guard and Drill Team. They practiced long and hard during Band Camp this past summer to prepare for their Lord of the Rings show. When they took the field during football season, the crowd was impressed with their

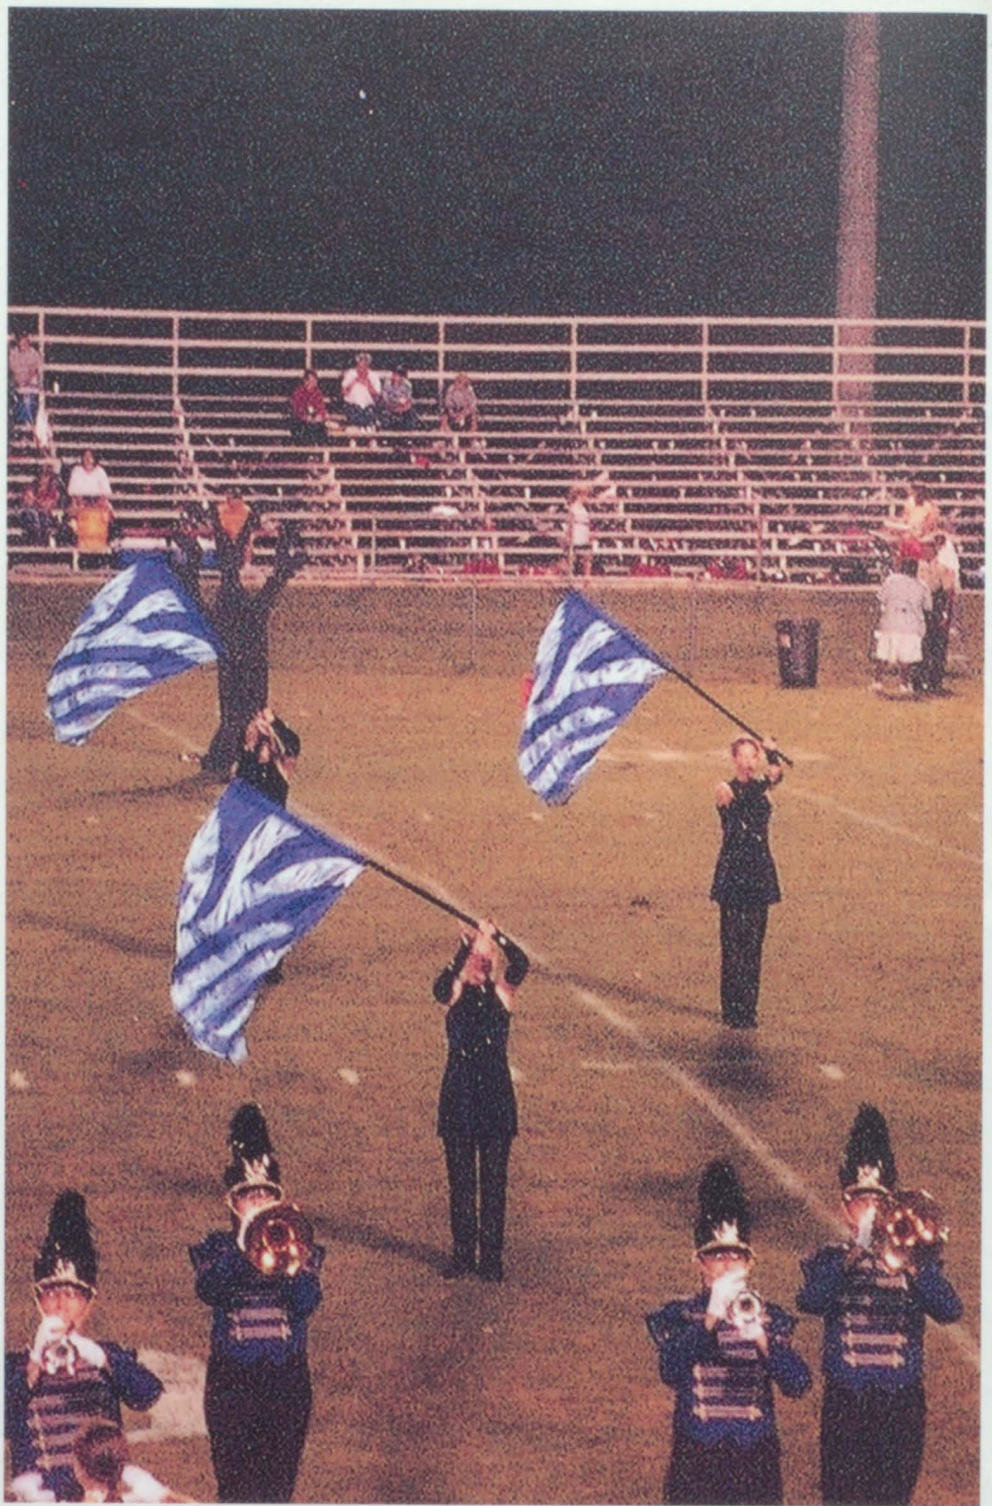

performance and their new uniforms. The band was under the field direction of Jessica Johnson and Lauren Lundin. The band also welcomed Ms. Johnson as the new assistant band director at Jones County High School. After football season, the Marching Greyhounds represented JCHS at both the Macon and Gray Christmas Parades.

Colorguard

The Colorguard traveled to Jacksonville, Florida for Marching Auxiliaries Camp to kick off the season. The guard members also attended two weeks of band camp to prepare for the halftime show. The theme for this year's show was Lord of the Rings and the squad members were the good elves, which gave them cause to perform beautiful, lyrical moves. During the season, the guard mastered difficult moves and the rifles greatly improved over the past years. This year's Colorguard competed alongside the band in Marietta at the Cardinal Classic. At this competition, the guard showed off both their technical precision and creative choreography and scored a Superior rating. Go Colorguard...Colorguard Go!

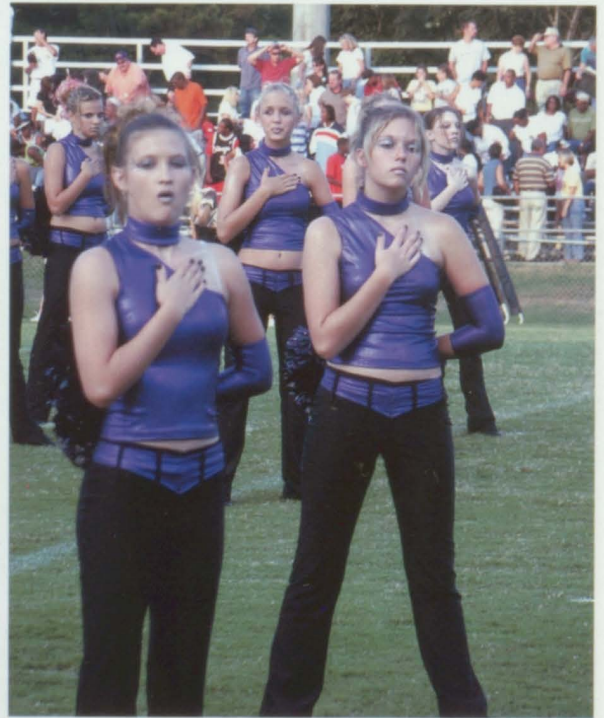

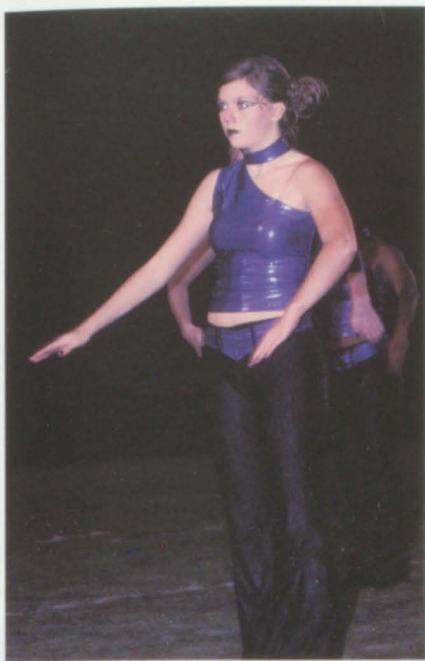

This year's squad members include Allie Chambers, Kristina Klein, Julie Hammock, Mandy Marino, Bridget Bolmgren, Sierra Cannon, Blair Sapp, Kaitlyn Borders, Sarah Cook, Travis Ethridge, Ashley Higginbotham, Tory Johnson, Sara Mitchell, Jenny Moore, Lori Barrentine, Katie Dixon, Nicole Kelleher, Kelly Lynch, and Kaylee Pruitt. The team was led by captain, Allie Chambers, and co-captain, Kristina Klein. This squad is directed by Ms. Leigh Aldhizer.

Drill Team

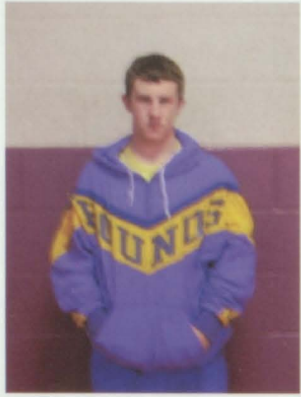

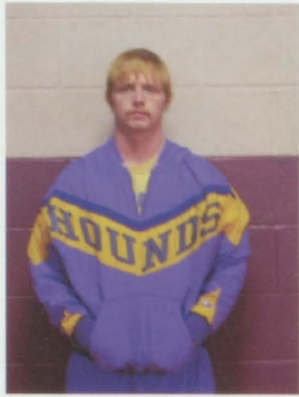

This year was a very unique one for the JCHS Drill Team. With Lord of the Rings as the theme for the halftime show, their production was an experience unlike anything they had ever done before. Representing the evil side of this theme was especially a challenge. Nevertheless, the girls thoroughly enjoyed participating in the show and on the team. This year's captain was Alveta Summers, with co-captains Ashley Woodard and Claudia Mitcham. Mrs. Stacey Roberts was the team's coach.

Wrestling is a sport which requires a great deal of self discipline. Wrestlers must maintain their weight by watching what they eat and exercising. The Jones County wrestlers have shown they have the discipline to stay in their weight class and take them down the Greyhound Way. The team is coached by Daniel Lewis and Jacob

Crook. Two members of this years team represented Jones County in state last year: Nate Carr, placing first and winning the title State Champion, and Robert Bullington who was first runner-up. We are proud of these two young men and all our wrestlers. We look forward to another sucessful year.

Varsity Competition Cheerleaders

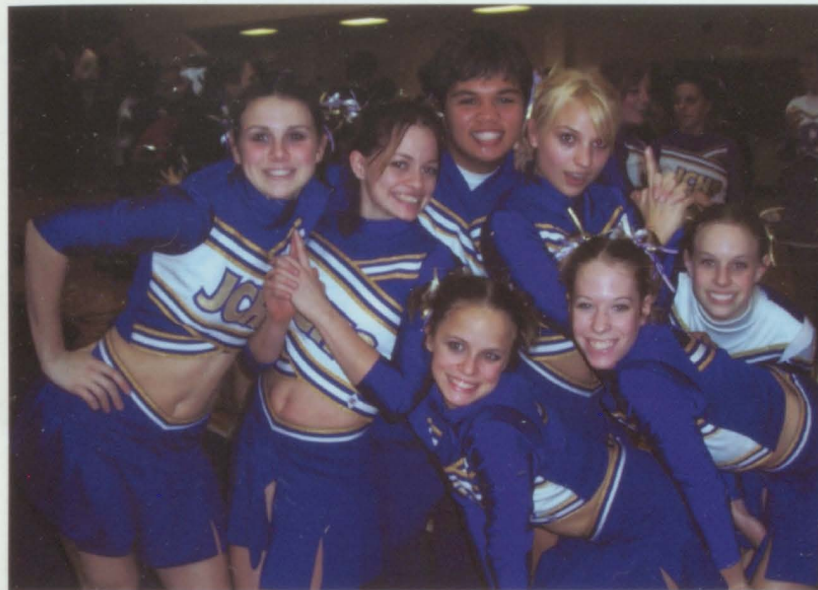

Smile Seniors!!!

"Ain't no mountain high enough." The squad proved this idea to be true. Through numerous fundraisers, the cheerleaders raised enough money to have their own cheerleading facility. The Cheer Factory is a building they can finally call their own.

The Varsity Competition Cheerleaders have worked extremely hard this year. They were very dedicated, practicing long hours after school and on some weekends, improving their skills so they could perform their two and half minute routine and be among the elite. Hard work proved to be very rewarding, and the team was recognized as GCCA Team of the Year for the entire state of Georgia. The squad also placed sixth at the GHSA State Competition. One of the cheerleaders, Jennifer Weidner, was privileged with the honor of being a selected as a GCCA Cheerleader of the Year Finalist.

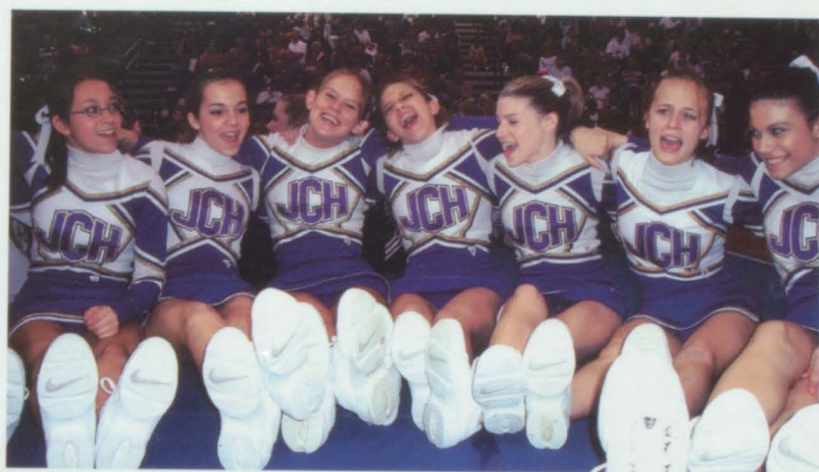

The squad is coached by Leah Tucker. The Captain was Jill Tribble and the Co-Captain was Jennifer Weidner. The squad was composed of Rebecca Allison, Jessica Clanton, Samantha Deese, Megan Fountain, Niki Hartley, Donald Jones, Shannon Kitchens, Tanith Lindsey, Brooke Mayhue, Danielle Mullis, Jeffery Ortega, Josh Ortega, Ashley Roberson, Emily Scarboro, Erica Scarboro & Kelly Walter.

JV Football Competition Cheerleaders

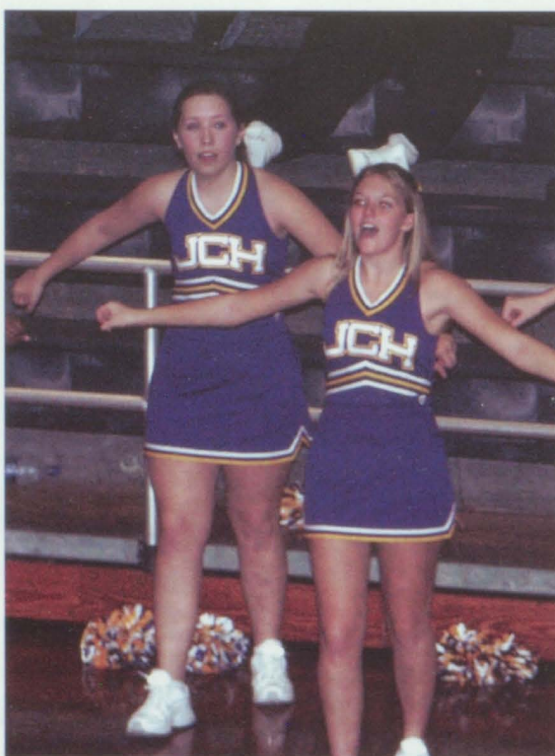

The JCHS JV competition cheerleaders have had quite a year. They have come to call themselves the Lemonade Squad for their ability to make sweet lemonade when they were handed lemons this season. They have competed in three competitions this year at - Washington County, Mary Persons, and Pope High School. Each performance showed a great deal of improvement. Coach Faircloth is **EXTREMELY** proud of the dedicated members of the squad! Way to go girls!

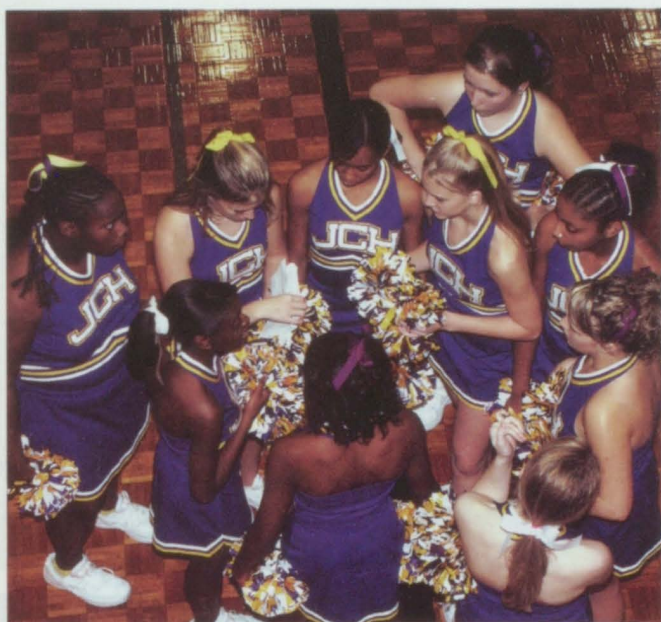

Got Spirit?

Varsity Basketball Cheerleading

The 2004-2005 basketball season was filled with fun and excitement for the Varsity Basketball Cheerleaders. After making it through weeks of conditioning and painting signs, they were ready to begin cheering on their JCHS Hounds. The squad did well this year, despite the fact that they had no senior. This year's squad included Juniors Victoria Greene, Cassie Patterson, Heather Stephens and Courtney Williams, Sophomores Keanna Dillard, Tealasia Miller, Jessica Meyer, Gena Perry and Jessica Roberts and Freshmen Allison Denson, Quintia Roberson and Whitney Stewart. The squad was coached by Ms. Lisa Janes and Ms. Toni Harmony and managed by Dylan Marbais. Although they worked hard throughout the season, the girls thoroughly enjoyed their year on the squad.

Junior Varsity Basketball Cheerleaders

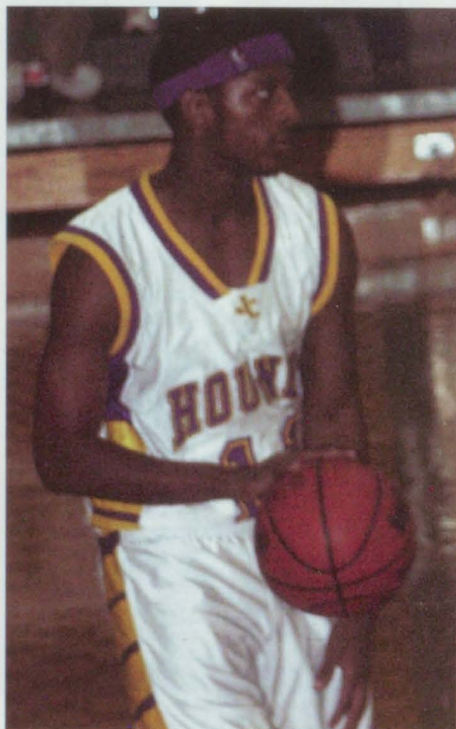

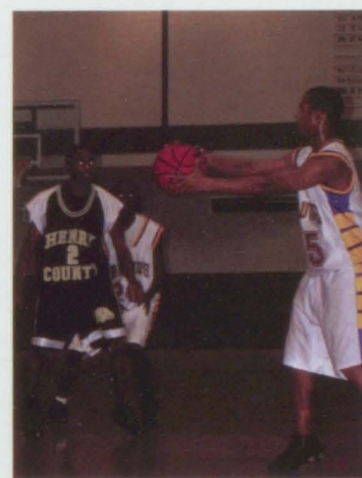

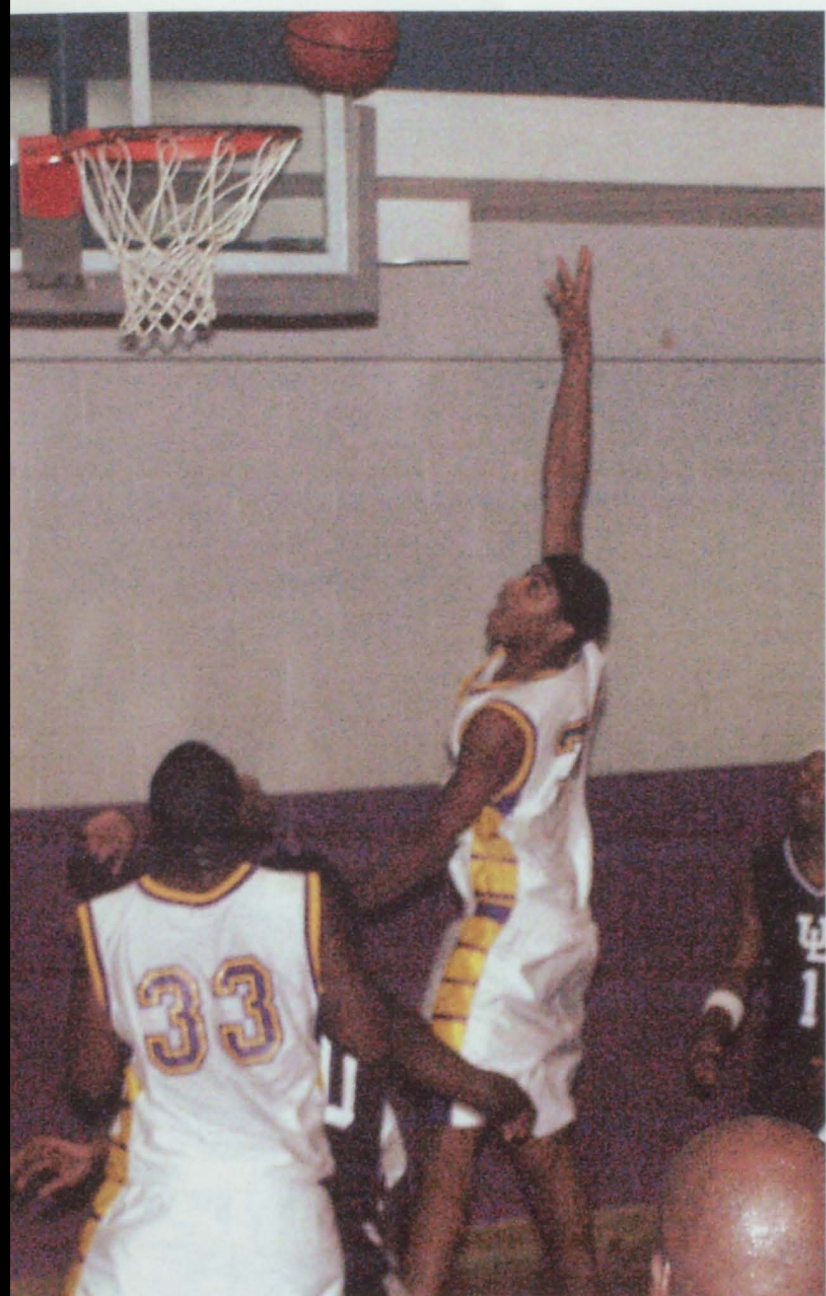

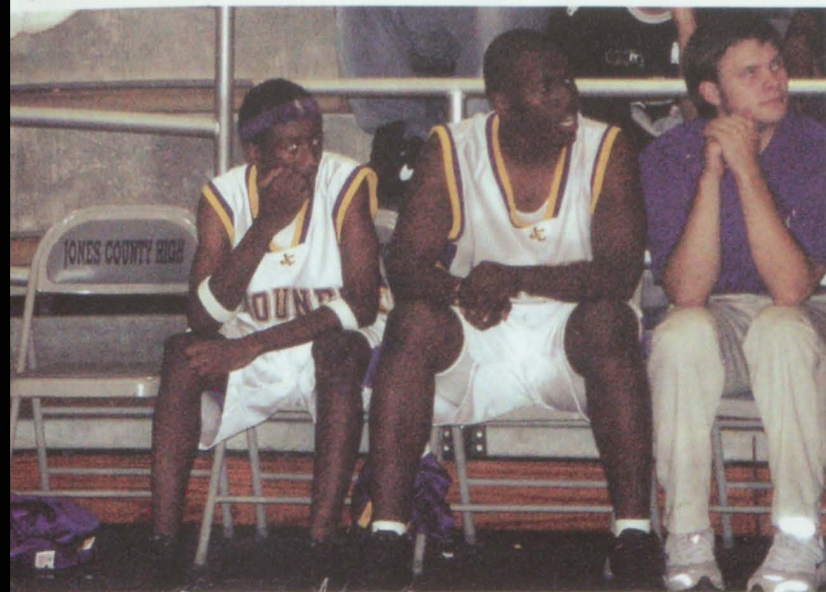

The Junior Varsity Basketball Cheerleaders had an awesome season. Despite the fact that the squad was nearly brand-new, with only two familiar faces, they overcame this obstacle and had an exciting experience. They cheered the JV and 9th grade basketball teams to many victories. The team consisted of Jennifer Miller, Christy Hunter, Courtney McKay, Leanna Phillips, Autumn Crosby, Sara Nisbet, Rakesha Bonner, Christy Lattimore, Rachel Tharpe, and Melinda Nolan. They were led by their coach Ms. Lisa Janes.

Varsity Boys

Basketball

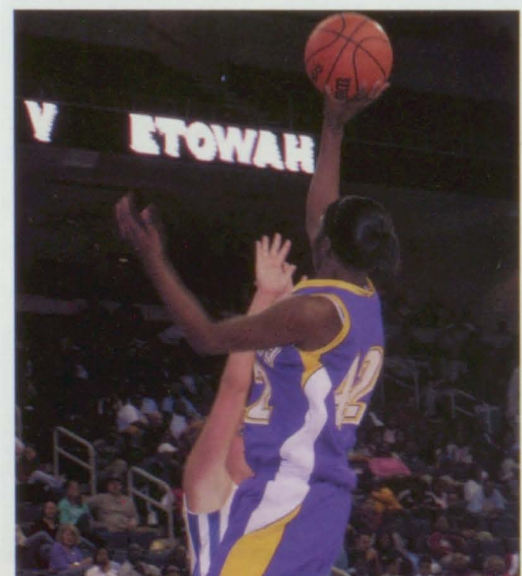

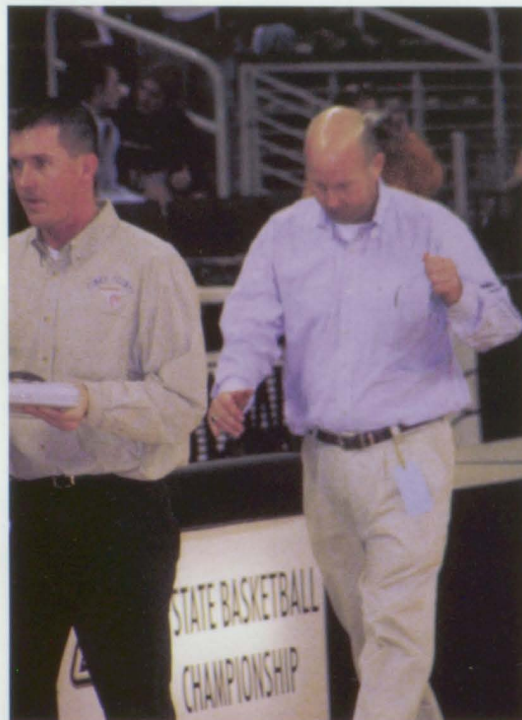

This year's boys varsity team has been a hard working group. Even though they had only 4 seniors, these seniors provided the team with leadership and displayed a positive attitude for the younger and less experienced players. The team consists of seniors Aaron Patterson, Tray Glover, Develle Miller, and Jonathan Ross, juniors Harold Wrice, Myron Collins, Wilmer Gray, Robert Welton, and Joe Rawlings, sophomore Rod Thomas, and freshman Brandon Duncan.

You've heard dynamite comes in small packages. Well, the 2004-2005 Lady Hounds certainly proved this old adage true. Exploding through the regular season with a 25-1 record, the girls headed to region tournament as the regular season champions. Two days later, they headed home as the tournament champions as well, topping off a perfect season against region opponents. The next Friday saw the Lady Hounds host the 1st round of the State Playoffs. With the stands packed with purple and gold, the team gave the fans a thrilling victory when the winning basket was scored with only 4 seconds left in triple overtime. Their 97-95 win over Douglas County sent the Lady Hounds off to Columbus as members of the Sweet Sixteen. With a date set with Warner Robins High, the ladies knew they had to out play and out hustle the much larger team from Houston County. That's exactly what they did, winning 61-43 in the 2nd round of State. Now in the Elite Eight, the Lady Hounds faced another formidable opponent in the Northside Lady Eagles. Like Warner Robins, the Lady Eagles had several players over 6 feet tall, however the Lady Hounds would again prevail, this time by a score of 56-52. This win meant the history-making season would continue. Spirit around JCHS was unprecedented as hundreds of fans traveled across the state to cheer on the Lady Hounds. Making their first Final Four appearance in the history of full court basketball, the team headed to the Gwinnett Center to face off with Etowah. With the stands crowded with gold Final Four shirts, the ladies played their hearts out, coming up 6 points short to the future State Champions. What an awesome ride we all had with the Lady Hounds in the drivers seat!

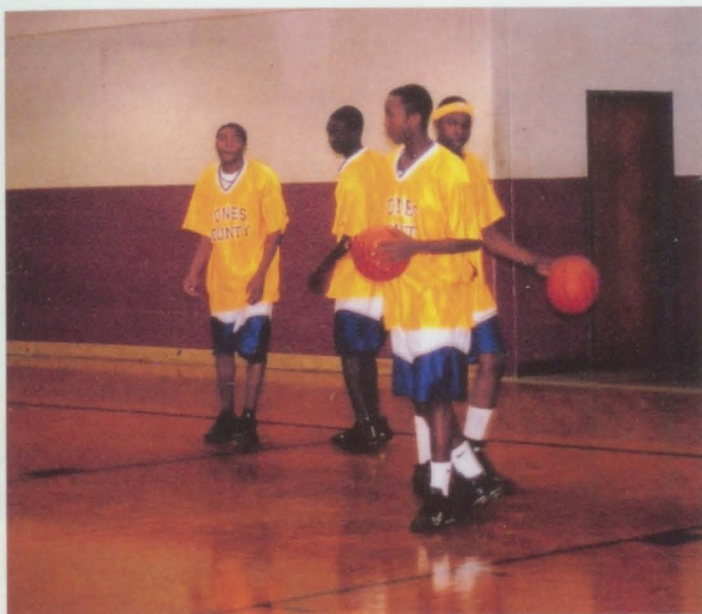

JV Boys Basketball

This year's Junior Varsity Basketball team includes: Issac Carr, Brandon Duncan, Adrian Lloyd, Willie Ross, Rod Thomas, Kyle Perry, Shardon Pauldo, Maurice Kitchens, Jeffrey Spencer, Shannon Sands, and Solomon Sands.

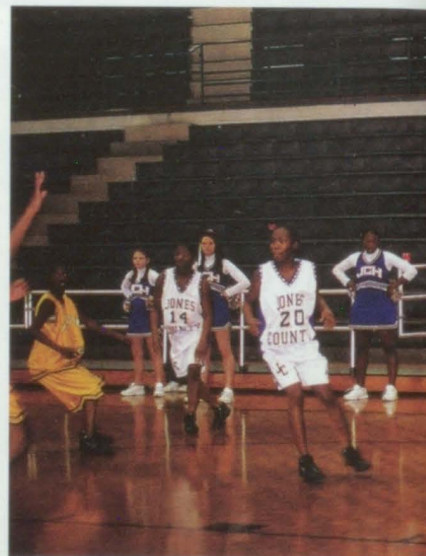

The Junior Varsity basketball team plays an exciting style of basketball. Offensively, they try to play a run-and-gun brand of basketball. Coach Cauldwell tries to give the players freedom to make plays. Sometimes, this may come back to hinder the team when they make mistakes. The few mistakes that are made by the team are "growing pains". The team learns and improves from their mistakes.

Defensively, the team tries to play a swarming type defense that is based on man-to-man principles. They believe that the more turnovers they force, the more opportunities they have to outscore their opponents.

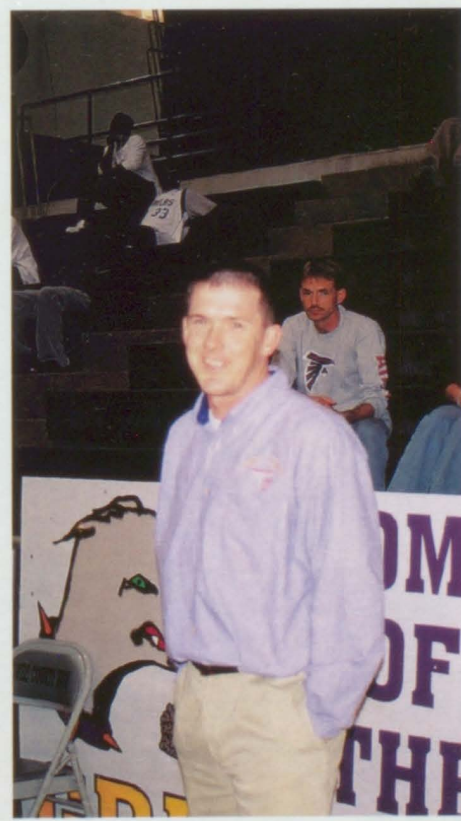

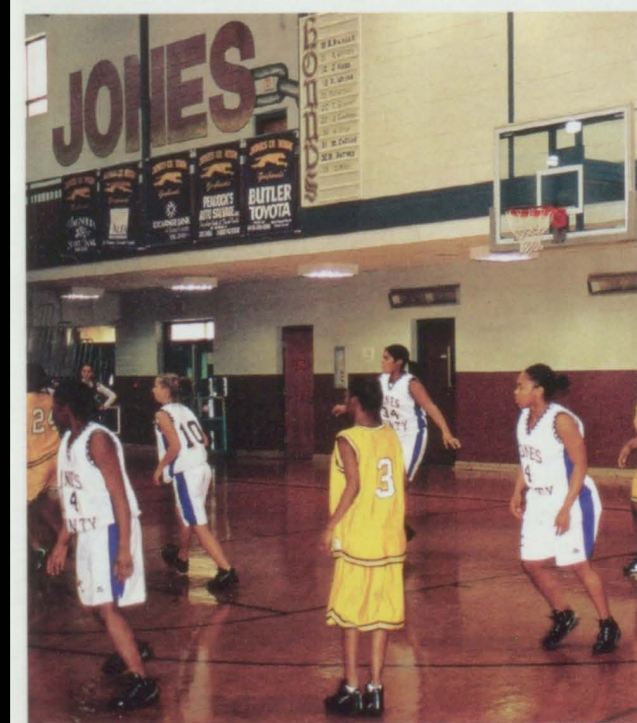

JV Girls Basketball

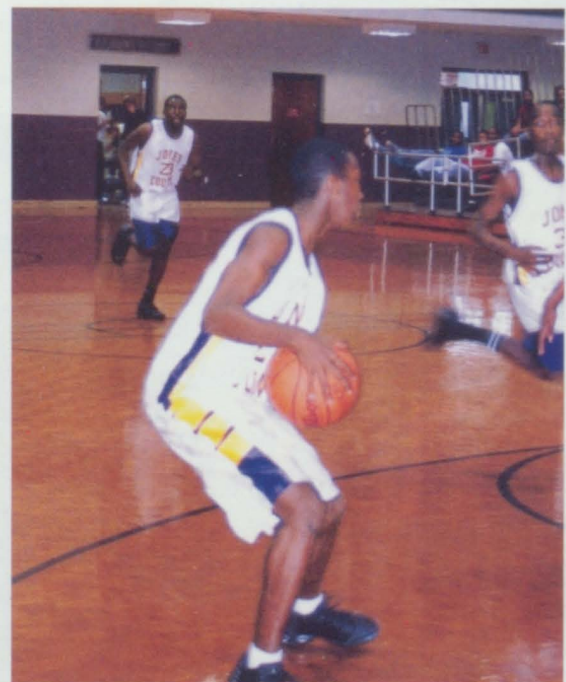

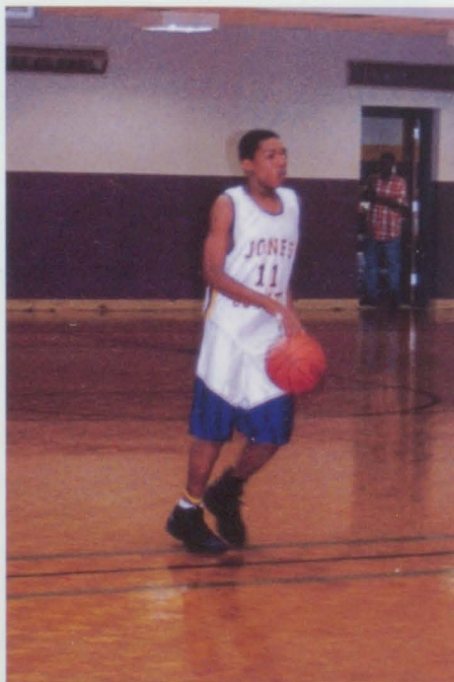

This years' JV Lady Hounds were a hard working, young team. These young ladies showed a lot of talent and potential as they worked together as a team. Under the leadership of Coach Tommy Robinson and the assistance of Coach Pittman, the girls worked diligently to improve their fundamental and team skills. This year's Lady Hounds were Kashaita Burney, Octavia Card, Brittany Davis, Melessa Jackson, Danielle Lassiter, Britteny Odom, Brittney Perry, and Jessica Roderick.

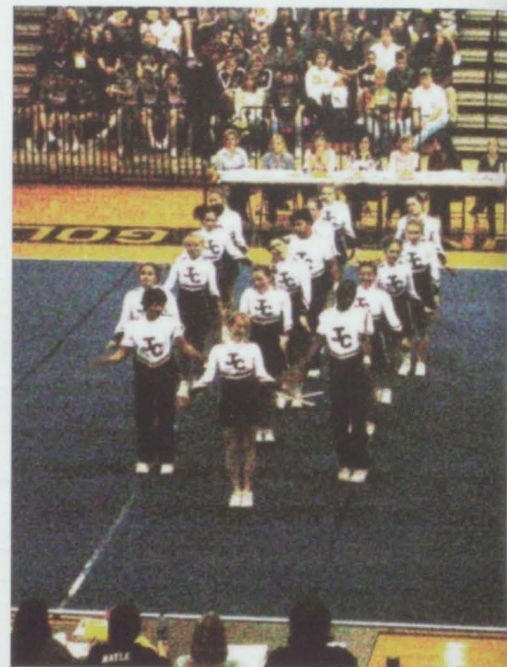

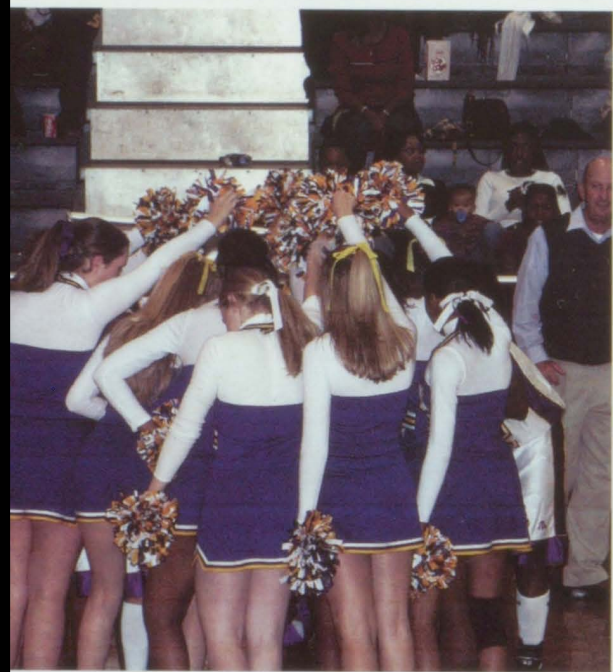

9th Grade Basketball

The 2004-2005 9th grade team has gotten good contributions from all of the players. Led by Coach McMillian, this group of Greyhounds has fought hard in all of their games. This team is a true team, because there are no individual or selfish players. If this group continues to work hard and improve, they will be an excellent group of Greyhounds.

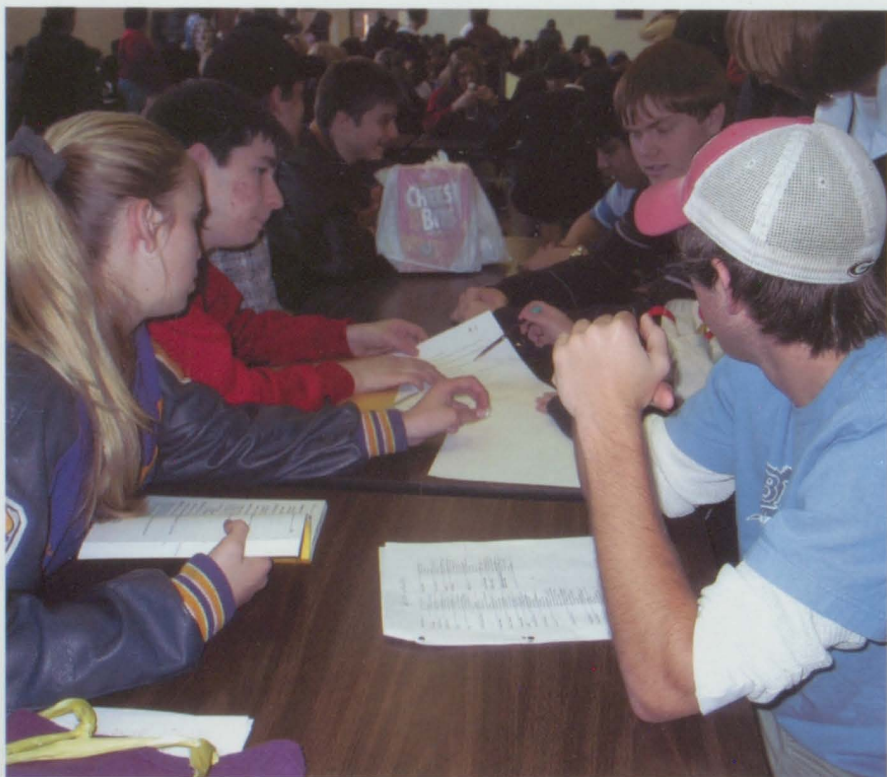

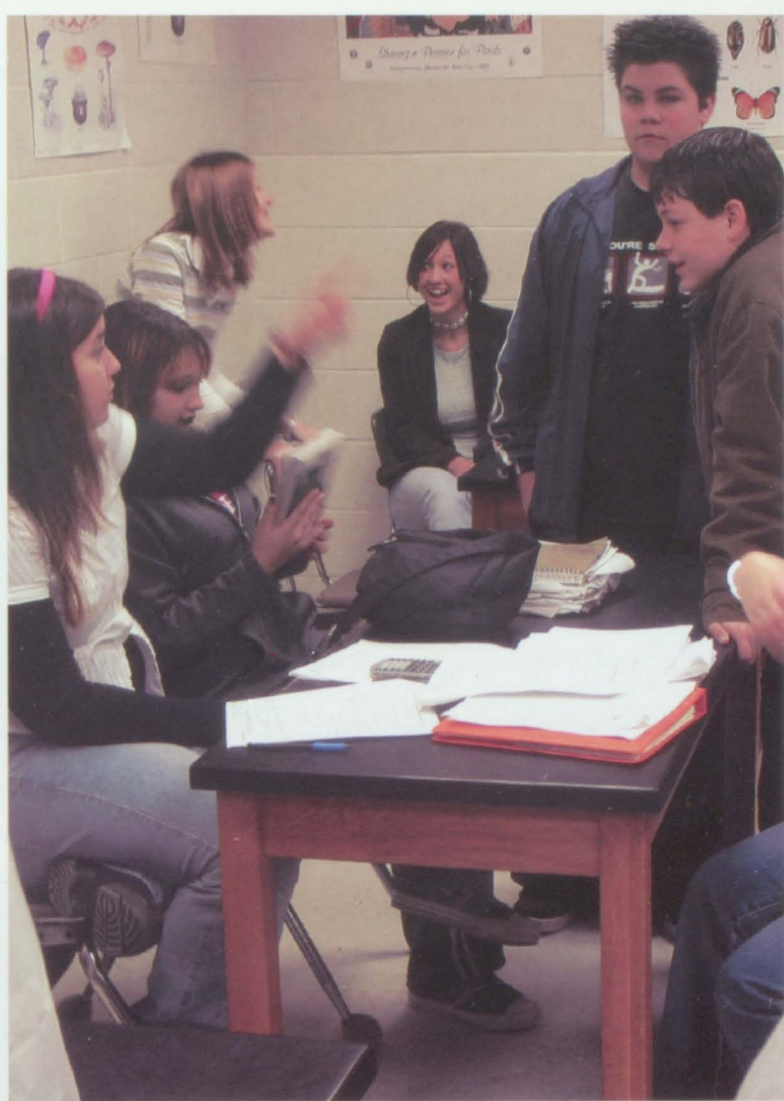

The team includes, Dusty Lanford, Solomon Sands, Courtney Davis, Tyler Jacobs, Justin Sowell, Loren Thomas, Isaac Carr, Stephen Amerson, Chris Hamm, Ken Nesbitt, Chris Ford, Tedrick Hunt, and Princeton Whitening.

Academic Team

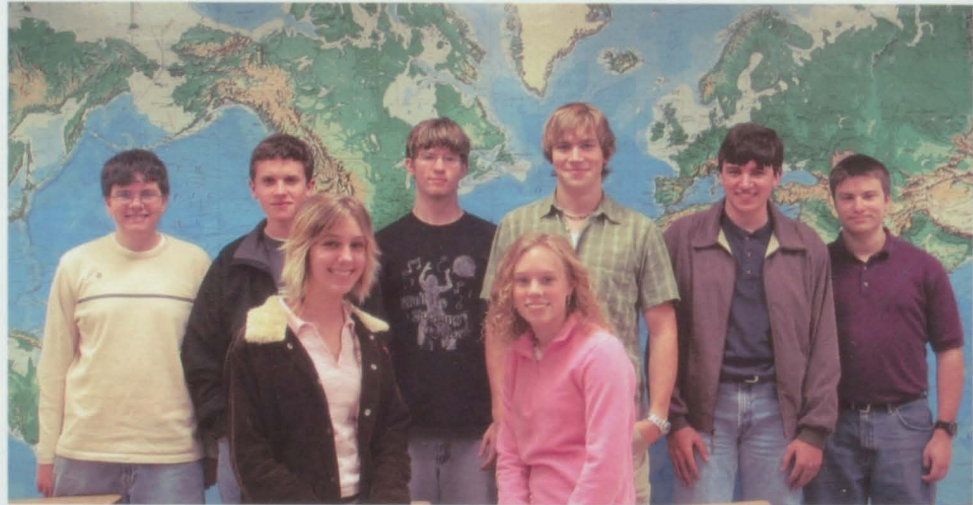

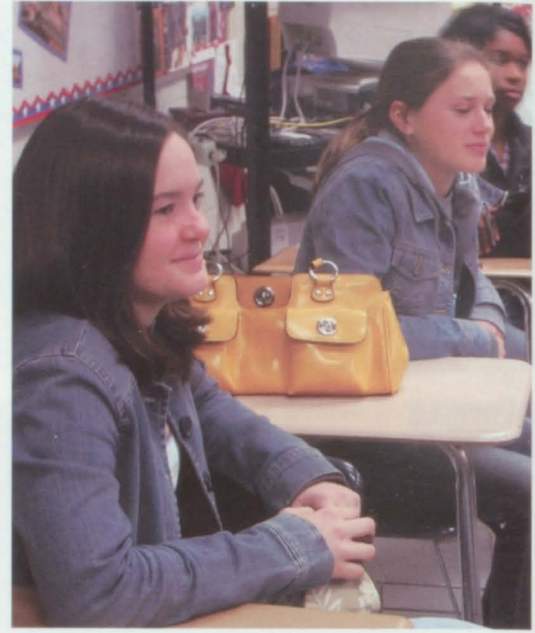

The Jones County High School Academic Team consists of some of the school's brightest young minds. Led by coach Julia Simpson, the team has competed in quiz bowl competitions all across the state, from Brookwood High School to South Georgia College. Aside from competing, the Academic team also hosts the state level Junior Varsity tournament. Members of the team include Adam Fuller, Christina Gillam, Lauren Greenway, Danielle Lassiter, Lindsey Mangham, Mandy Marino, Crystal McAlpin, William Moore, Steven Pritchett, Bonnie Riezinger, Jessica Saddler, Jonathan Skoczylas, Victiria Watkins, Manuel Zavala, Chase Lamb, Trent Mosely, Kyle Sears, T.J. Art Club is a gathering of artists and those interested in art. The art club is a great place to meet interesting people and participate in artistic projects. Art Club meets every Wednesday during zero period. After several years of there not being enough interest to have a club, the new art teacher, Mrs. Cari Reese, decided to get the club started again. Although the Art Club only had four members this year, Mrs. Reese hopes that more students will show an interest and join once they realize the club has been regrouped. New members are always welcome, you have a standing invitation to join - just show up for a meeting. This years members were Jessica James, Samantha VanWagoner, Tanner King, and Caitlin Roberts.

By attending these competitions, the team members sharpen their math and test-taking skills. They also learn to work together and under pressure.

The Future of Health Care

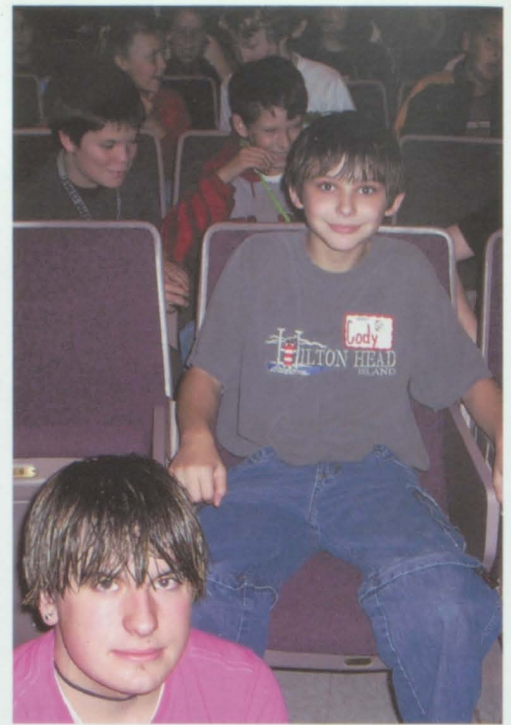

Health Occupations Skills USA

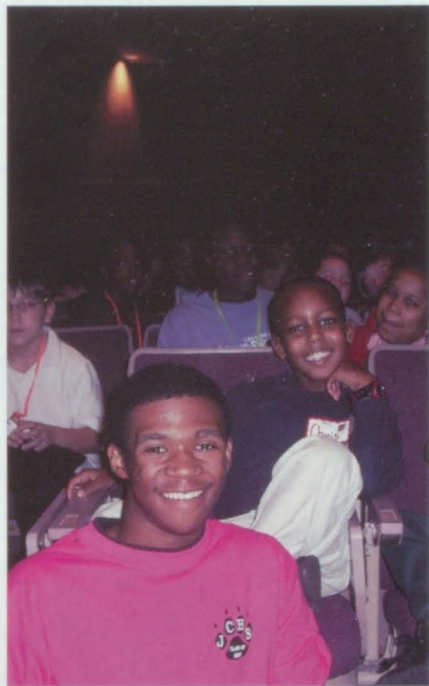

Skills USA Health Occupations is a national organization dedicated to preparing students for careers in the health care field. It also promotes involvement in community service activities. Skills USA Health Occupations programs include local, state, and national competitions in which students demonstrate occupational and leadership skills. Mirror Students

By definition, a mirror is something that gives a true representation or an exemplary model. The twenty students pictured on this page and the next two pages are true examples of mirrors. Each year the administration and faculty of Jones County High School nominates and selects seniors as Mirror Students. These students are chosen because they reflect the true representation of the ideals of Jones County High School and therefore set an exemplary example for other students to follow. Congratulations to this years Mirror Students.

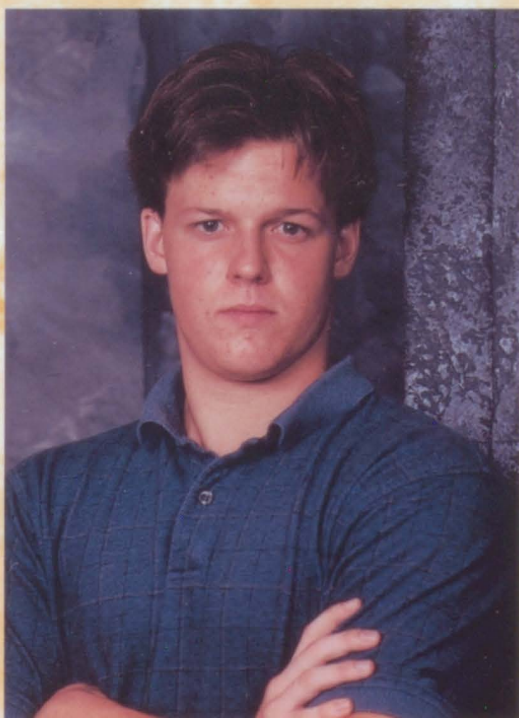

Brandon Ammons

Thank you to all the teachers who believe in me. You pushed me and you gave me more faith. You showed me to have faith in myself. You can achieve anything in life if you put your mind to. Be the best that you can be out of life, it's what you make of it.

Robert Bullington

"It doesn't matter how far you go in life, what matters is the manner in which you get there."

Matt Buss

"Some people want it to happen, some people wish it would happen, others make it happen."

— Michael Jordan

Allie Chambers

The difference between ordinary and extraordinary is just that little extra. To succeed, do what you have to do and then some. Thank you to my family and friends for pushing me to do that little "extra".

Kristen Clements

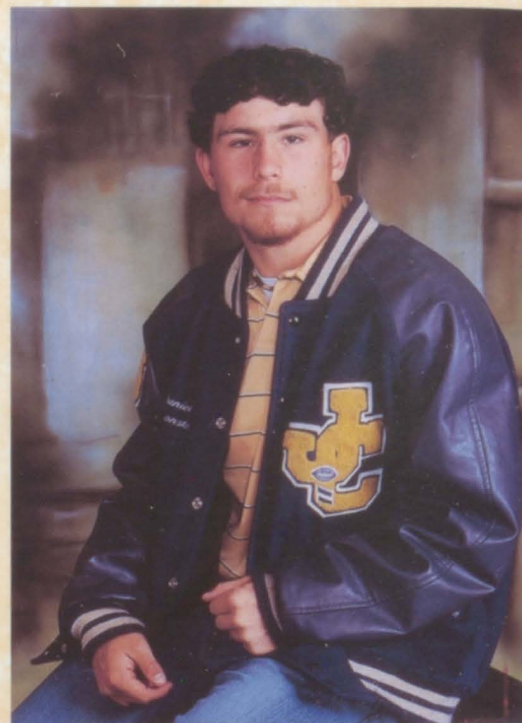

"Impossible is a word to be found only in the dictionary of fools."

- Unknown

Daniel Edmonston

"This is the beginning of a new day.... when tomorrow comes, this day will be gone forever, leaving something in its place I have traded for it. I want it to be a gain, not loss - success, not fail me - good not evil, in order that I shall not forget the price I paid for it." - Paul 'Bear' Bryant

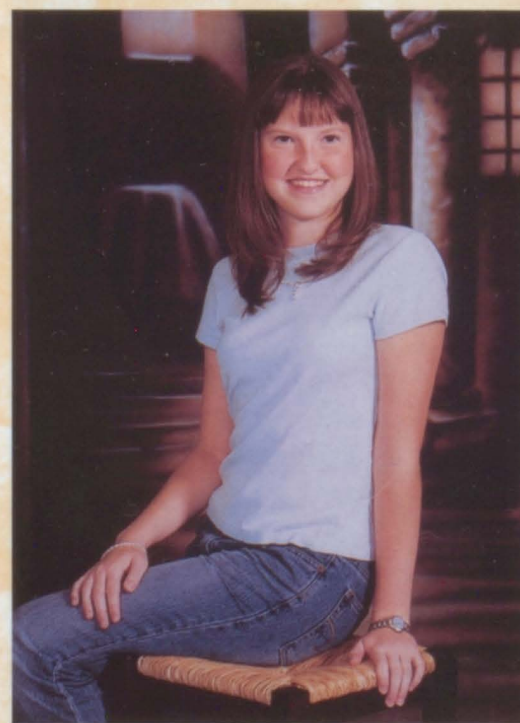

Lauren Greenway

"Not enjoyment, and not sorrow / is our destined end or way; but to act, that each to-morrow / finds us farther than to-day." - Henry Wadsworth Longfellow. I would like to thank everyone at JCHS who has given me the opportunity to realize my dreams and make life-long memories.

Jessica Johnson

"I have a dream....." - Martin Luther King, Jr. When we start kindergarten we dream of the day we will graduate and now that we're graduating we dream of going out on our own and establishing our place in the world. And if we keep dreaming and reaching for the stars we will always achieve our goals.

Lauren Lundin

"If we didn't live venturously, plucking the wild goat by the beard, and trembling over precipices, we should never be depressed, I've no doubt; but already should be faded, fatalistic and aged." - Virginia Woolf

Amanda Moseley

"You will look back and laugh at what has passed and ask yourself, 'How did I get through all that?' Just never lose hope, never quit dreaming, and never let love depart from your life." - Jancari Campi. I thank my family and teachers for encouraging me to be my best, my

friends for believing in me, Matt for giving constant love, and most of all God for being beside me in good times and bad. Without ya'll, I wouldn't be who I am today.

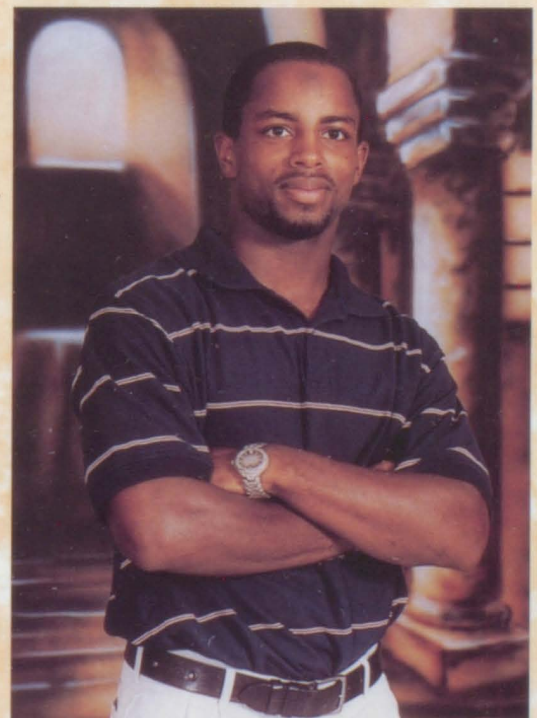

Claudia Mitcham

"Hope is a state of mind, not of the world. Hope, in this deep and powerful sense, is not the same as joy that things are going well, or willingness to invest in enterprises that are obviously

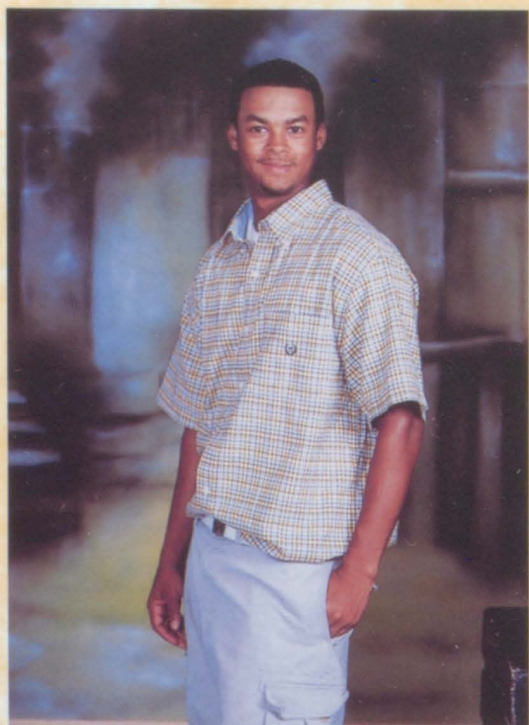

heading for success, but rather an ability to work for something because it is good." - Vaclav Havel. I have many priceless memories from my 13 years in Jones County School Systems. I'd like to thank Mr. Trimnell, the faculty, my family, and my friends for giving me so many scholarly and life lessons that have shaped who I am and will become.

Marcus Pace

"Attitude is a little thing that makes a BIG difference." - Unknown. "If you give anything less than you're best, you're not only cheating yourself, your coaches, your teammates, and everything athletics stand for, you're cheating the Maker who gave you that talent." -

Vince Lombardi. I would like to thank God and my parents for helping me to be successful.

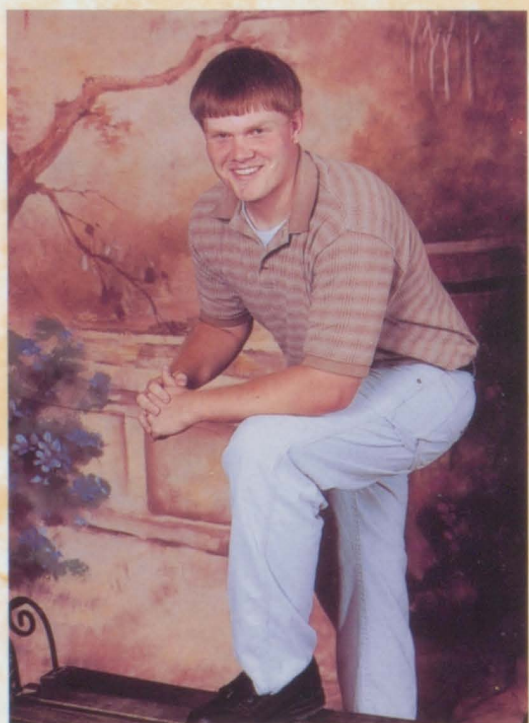

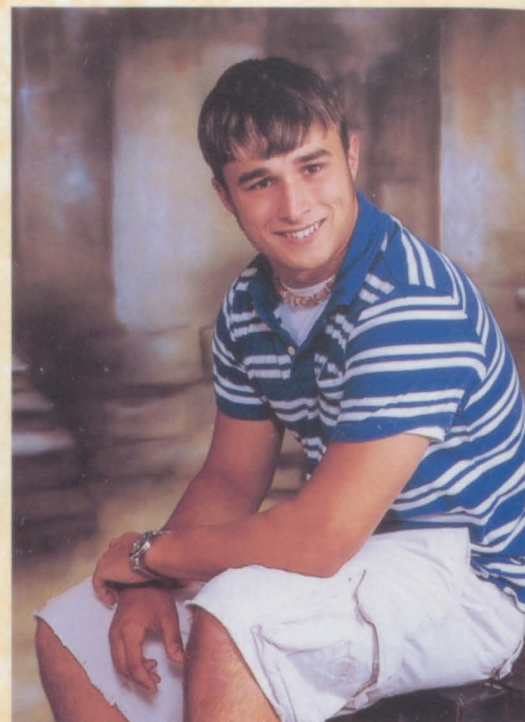

Aaron Patterson

“Character is what a man is in the dark.” – Dwight L. Moody

Neal Pipkin

“I can do everything through him who gives me strength.” – Philipians 4:13. Thanks to my dad for pushing me, my mom for supporting me, and my sister for being there for me. To my friends, thanks for all the great times and for help along the way.

Kyle Sears

“The Lord is the strength of my life: of whom shall I be afraid?” – Psalms 27:1. I want to thank my family, friends, teachers, coaches, and counselors for helping me to get thus far and strive to be something better. I thank God for surrounding me with such great people.

Lacie Sheppard

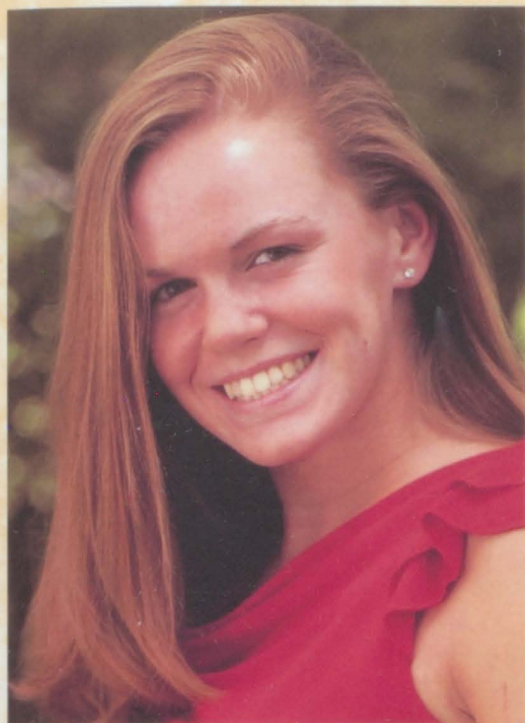

“I’d rather be a could-be if I cannot be an are; because a could-be is a maybe who is reaching for a star. I’d rather be a has-been than a might-have-been, by far; for might have-been has never been, but a has-been was once an are.”

– Milton Berie.

I hope everyone lives for today so that they have no regrets tomorrow.

Jamie Simpson

“ May your wall know joy, may every room hold laughter and every window open to great possibility.”- Maryann Radmacher-Hershey. I would like to thank my teachers and coaches for

pushing me to be the best that I can be, my family for constant love and support, and God for lending his shoulder for me to lean on. Thank you JCHS for four great years.

Alveta Summers

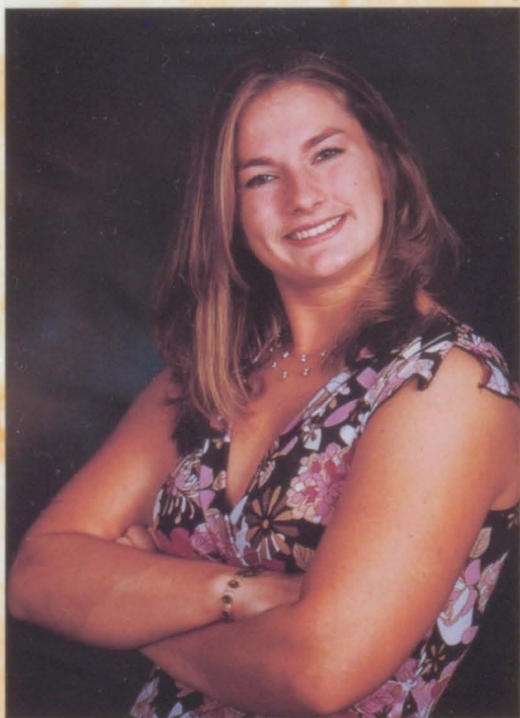

“ The man who knows something knows that he knows nothing at all.”- E. Badu

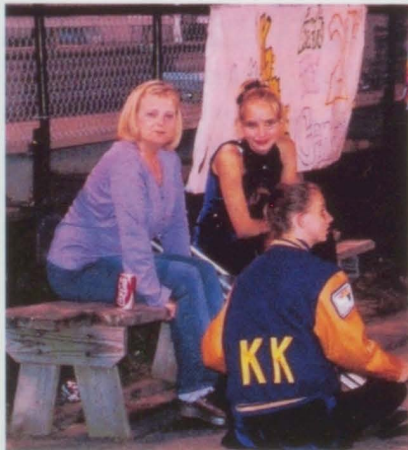

Jill Tribble

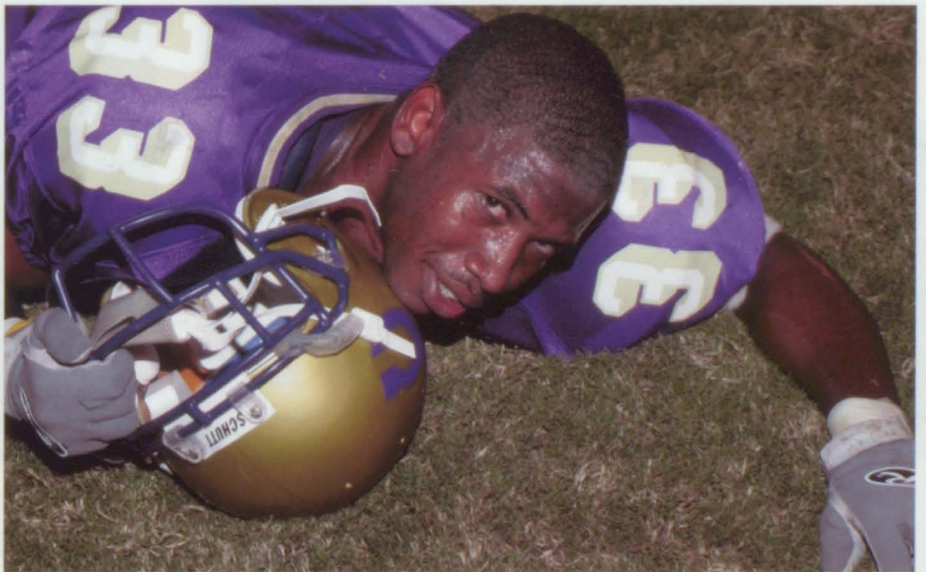

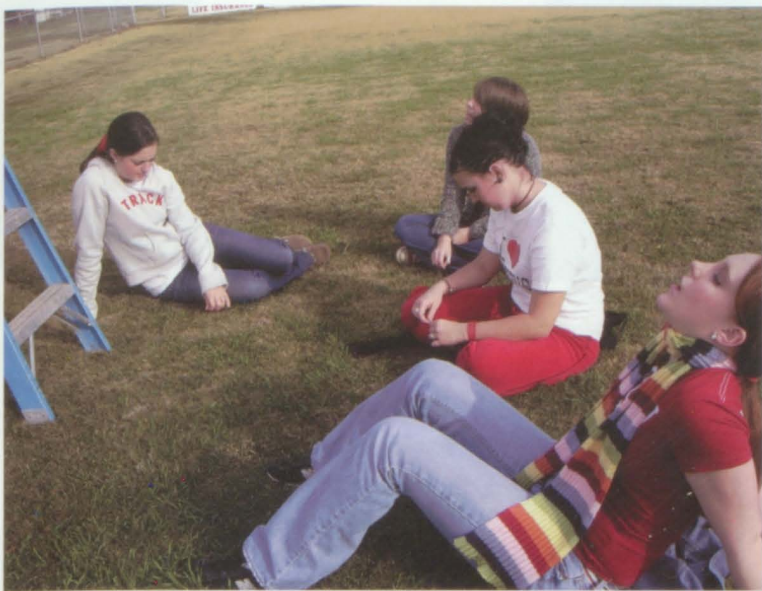

You are more than you think you are, and you will become what you know you can be. Thinking positively is the greatest key to success. Never listen to “you can’t” because you CAN! Thank you JCHS for making these past four years awesome! Remember God loves You!

Jennifer Weidner

“If you can imagine it, you can achieve it; if you can dream it, you can become it.” – William Arthur Ward. I want to thank my teachers and coaches for their encouragement. I want to thank my family for always loving me and supporting me. I want to thank my friends for always being there for me throughout the years. I will treasure all the memories.

JOSH SARGENT

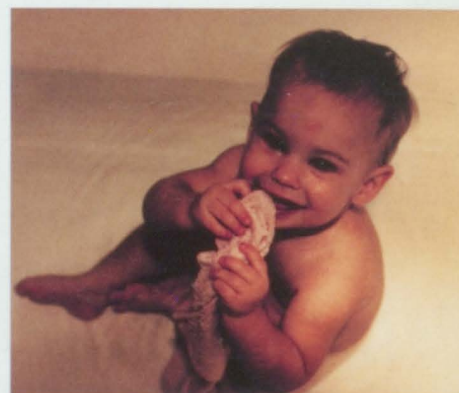

When you were a baby, I'd often imagine the kind of man you'd grow to be... a man who takes great pride in himself and his dreams, a man that shows a powerful love and respect for himself and his family... Looking at you, you've become a man and your time has come - your time to discover the amazing person you are. You've made us so proud of you and you know without a doubt that your father is looking upon you with such joy and pride. Keep smiling and laughing and keep God by your side.

We love you,
Mama, Jerald, Glenn, & Jesse

HEATHER SCHREIBER

Heather,

We are so very proud of all you have done to make it to this phase in your life. I know it hasn't always been easy, living the nomadic lifestyle of a military brat, moving from place to place, saying goodbye to close friends and having to make new ones. However, you seemed to always pull through and make the transition well and we know this transition will be no different.

You've always given your mother and I great pleasure watching you grow, whether you were swimming in your diapers as a toddler at Waikiki Beach or trouncing in the snow when it was 20 below at the Arctic Circle, and become the woman you are today. We wish you good luck and Godspeed on all your future endeavors.

Love,
Mom and Dad

Robin,

Sunday morning, July 12, 1987, in parent years, was only a couple of years ago. You showed your zest for life from the beginning. Being the youngest in the family, you were fighting from day one to secure your place. These experiences will serve you well. We are proud of your maturity, academic achievement, and the love you show your family and friends. We hope your future brings to you the love and joy that you have given us. Stay in God's will and He will show you His grace.

Mama and Daddy

Robin,

Well, you finally did it. Words cannot express how proud and happy I am of you and all of your accomplishments in the last two years. You've grown up into a beautiful Christian girl and your faith in God will lead you in the right direction in all you do in life. Now it's time to grow up a little more and go into this little world I like to call LIFE. But don't worry because you have a great head on your shoulders and I know your going to do great. You'll never know how much I love you and am going to miss my lil sis.

LOVE FOREVER AND ALWAYS, Matt Tarver

ANGEL TURNER

"If" for Daughter

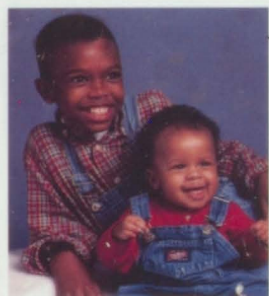

If you can value truth above approval, and friendship over beauty, wealth, or fame,
 If you can share your gifts and talents wisely, leaving someone better off than when you came,
 If you find happiness in simple pleasures and see the rainbow, not the falling rain,
 If you have faith to keep right on believing in miracles that no one can explain,
 If you look until you see the good in others and keep your spirit honest, true and free,
 Then you'll be, not just happy and successful, but the woman only you were meant to be.
 If you could see all the flowers in the world, if you could hear all the laughter in the universe,
 If you could make all the dreams that ever were wished come true, then you would know a little part of the joy of having and loving a daughter like you.

All our Love,
 Mom and Dad
